

**MIDTOWN REDEVELOPMENT AUTHORITY/
TIRZ#2
BOARD OF DIRECTORS MEETING
SEPTEMBER 24, 2026**

**MIDTOWN REDEVELOPMENT AUTHORITY
and
REINVESTMENT ZONE NUMBER TWO, CITY OF HOUSTON, TEXAS
(ALSO KNOWN AS THE MIDTOWN REINVESTMENT ZONE)**

**TO: THE BOARD OF DIRECTORS OF THE MIDTOWN REDEVELOPMENT AUTHORITY AND
THE MIDTOWN REINVESTMENT ZONE AND TO ALL OTHER INTERESTED PERSONS:**

Notice is hereby given that the Board of Directors of the Midtown Redevelopment Authority (the "Authority") will hold a joint regular meeting, open to the public, with the Board of Directors of the Midtown Reinvestment Zone on Thursday, September 24, 2026, at 12:30 p.m. at 410 Pierce Street, 1st Floor Conference Room (enter at the Pierce St. and Brazos St. door), Houston, Texas 77002.

The meeting location will be open to the public during open portions of the meeting. Members of the public may attend and/or offer comments in person as provided on the agenda and as permitted by the presiding officer during the meeting, or may view the meeting through the following link:

<https://midtownhouston.com/midtown-event/mra-board-meeting-3/>

Click big blue button "TEAMs Meeting Link"

Meeting ID: 247 576 862 826

Passcode: GddGFQ

Or dial in by phone and enter the phone ID when prompted

Phone: +1 872-256-8243

Phone ID 355 736 852#

The Board of Directors of each of the Authority and the Midtown Reinvestment Zone will (i) consider, present and discuss orders, resolutions or motions; (ii) adopt, approve and ratify such orders, resolutions or motions; and (iii) take other actions as may be necessary, convenient or desirable, with respect to the following matters:

AGENDA

1. Call to Order, Introduction of Guests and Board Comments
2. Public Comment
3. Consent Agenda for the Midtown Reinvestment Zone **(Board Action)**
 - a. Minutes for August 27, 2026
4. Consent Agenda for the Authority **(Board Action)**
 - a. Minutes for August 27, 2026
5. Audit FY26 **(Board Action)**
6. Financial and Budget
 - a. Monthly Financial Report for August 31, 2026 **(Board Action)**
 - b. MRA FY27 Budget **(Board Authorization)**

In accordance with the requirements of Section 551.043(c)(1) of the Texas Government Code, as amended, the proposed fiscal year 2025 budget is accessible on the home page of the Authority's Internet website through the following link:

https://midtownhouston.com/wp-content/uploads/2026/09/FY27-TIRZ-02-Budget-DRAFT_09162026_web.pdf

In order to comply with the requirements of Section 551.043(c)(2) of the Texas Government Code, the Authority hereby provides the following taxpayer impact statement:

The Midtown Redevelopment Authority is not a taxing unit as defined by Section 1.04, Texas Tax Code, and has no authority to impose ad valorem taxes on property. For a median-valued homestead property, adoption of the proposed budget does not have an effect on the property tax bill in dollars pertaining to the property for the current fiscal year as compared to an estimate of the property tax bill in dollars for the same property for the upcoming fiscal year.

7. Affordable Housing Program
 - a. City of Houston Housing and Community Development Department Report
8. With respect to the foregoing agenda items, the Authority may conduct an executive session with regards to the following, as appropriate and necessary:
 - a. Consultation with attorney (Section 551.071, Texas Government Code);
 - b. The purchase, exchange, lease or value of real property (Section 551.072, Texas Government Code);
 - c. Personnel matters (Section 551.074, Texas Government Code);
 - d. Security personnel or devices (Section 551.076, Texas Government Code); and
 - e. Economic development negotiations (Sections 551.087, Texas Government Code).

Upon entering into the executive session, the presiding officer shall announce which agenda items will be discussed.

Adjournment.

J. Allen Douglas
Chairman

AUTHORITY CONSENT AGENDA

MINUTES OF THE BOARD OF DIRECTORS OF THE MIDTOWN REDEVELOPMENT AUTHORITY

August 27, 2026

A regular meeting of the Board of Directors (the "Board") of the Midtown Redevelopment Authority (the "Authority") was held at 410 Pierce Street, First Floor Conference Room, Houston, Texas 77002 and via video conference Thursday, August 27, 2026, at 12:30 p.m. The meeting agenda is attached hereto and incorporated herein. The meeting was open to the public. The roll was called of the duly appointed members of the Board, to-wit:

<u>Pos. #</u>	<u>Name</u>	<u>Pos. #</u>	<u>Name</u>
1	Camille Foster	6	Christopher M. Johnston
2	Terence Fontaine	7	Chris Williams
3	Michael Lewis	8	James Gilford
4	Tiffani Robinson	9	Zoe Middleton
5	Allen Douglas		

and all of the above were present in person at the meeting location except Directors Lewis via video conference and Williams who was absent.

In attendance were Authority staff members Marlon Marshall, Kayler Williams, Madison Walkes, Chandler Snipe-Prince, Jeremy Rocha and Urias Merino; Rena Leddy and Steve Gibson of Urban Place Consulting Group, Inc.; Clark Lord of Greenberg Traurig LLP; Amy Connolly and Rishita Rangarh of the City of Houston Housing and Community Development; Amanda Hansen and Jay Hickman of the Amanda Hansen Group; Alex Ramirez of Design Workshop; Glenda Kizzee and Eric M. Goodie of Houston Area Urban League; Zack Martin of Martin Construction Management & Designs; Janel Young of Houston Habitat for Humanity; Kamal Rasheed of Rashieyeid Engineering; Carol Harrison of IDS Engineering; jeff Segura of Co-Create Strategies; John Richardson of Belle Station; Amari Superville and Jakiya Billingsley of District 147 State Representative Jolanda Jones; Veso Kossev and Theresa Santiano-McHatten and . Kandi Schramm, Consultant.

In attendance via video conference were Authority staff members Sally Adame, David Thomas and Amaris Salinas, of Midtown Redevelopment Authority; Cynthia Alvarado, and Jaime Giraldo of the Midtown Management District; Ryan Nickerson of the Houston Chronicle; Dr. Tisha Rowe of The Honeycomb Clinic; Andrea Barrera of the Bayou Preservation Associates; Andrea Moore of Partners Real Estate; Ashley Segura of co-Create Strategies; Jamie Rickenbacker of Marque Consultant; Herb Garcia and Rashard Johnson.

Chairman Douglas called the meeting to order.

PUBLIC COMMENT

Theresa Santiano-McHatten a Midtown resident, spoke about crime in the Midtown community, the unhoused, trash and dangerous deserted buildings. She mentioned placing numerous calls to law enforcement, the slow response time and expressed there should be more done to better the community.

Janel Young of the Houston Habitat for Humanity gave a thank you to Midtown Redevelopment Authority for the lots conveyed and provided an update that 80% of the affordable homes are sold and 5 remaining to sell.

Amari Superville a staff member for District 147 State Representative Jolanda Jones, spoke about public safety and thanked Midtown for continued efforts and support.

Dr. Tisha Rowe of The Honeycomb Clinic inquired about the vacant space at One Emancipation Center previously occupied by her clinic. She requested a respond from leadership regarding a lockout notification.

CONSENT AGENDA FOR THE AUTHORITY

MINUTES FOR JUNE 18 AND JUNE 24, 2026

Rena Leddy Co- Executive Director presented the Consent Agenda.

Director Johnston made a motion to approve the consent agenda as presented. The motion was seconded by Director Robinson and carried by unanimous vote.

MONTHLY FINANCIAL REPORT FOR MAY 31, 2026, JUNE 30, 2026 AND JULY 31, 2026

Melissa Morton of The Morton Accounting Services presented the financial report ending June 30, 2026. Total income equaled \$16,957,544 with expenses totaling \$18,683,352. Total Assets of \$216,173,594 include cash, savings, fixed assets and investment accounts. Liabilities total \$103,964,843 represent long-term liabilities and the ION Garage liability.

Ms. Morton presented the financial report July 31, 2026, with total income of \$408,959 with expenses totaling \$738,559 with a net income of (\$329,599.59).

Director Gilford made a motion to approve the monthly financials for May 31, June 30 and July 31, 2026, as presented. The motion was seconded by Director Fontaine and carried by unanimous vote.

INVESTMENT REPORT FOR THE QUARTER ENDING JUNE 30, 2026

Melissa Morton of The Morton Accounting Services presented the Quarterly Investment Report for the 4th Quarter FY2026. Ms. Morton reported the average yield rate on all investment accounts this quarter is 3.58% with the highest yield from the Logic accounts at 3.76% on average. The amount of interest earned from investment accounts for the quarter was \$398,278.

Director Johnston made a motion to approve the Investment Report For Quarter Ending June 30, 2026, as presented. The motion was seconded by Director Robinson and carried by unanimous vote.

ADMINISTRATIVE PROCEDURES MANUAL

Chairman Douglas provided an overview of the MWBE procurement lawsuit and mentioned the decision of the court will affect all Tax Increment Reinvestment Zones (TIRZs).

INTERLOCAL AGREEMENT FOR COUNTY PARTICIPATION IN TIRZ #2

Chairman Douglas provided an update on the Interlocal Project Agreement with Harris County, and the County's participation in TIRZ #2. Chair Douglas noted the agreement was in review and waiting for signature.

AFFORDABLE HOUSING PROGRAM

CITY OF HOUSTON HOUSING AND COMMUNITY DEVELOPMENT DEPARTMENT REPORT

Amy Connolly of the City of Houston Housing and Community Development Department presented the August 2026 Monthly Affordable Housing Report. The report identified 26 tracts held by MRA, 46 tracts completed and sold, 106 tracts held by developers with contracts pending, 27 tracts under construction, and 17 completed tracts with sales pending.

Ms. Connolly mentioned the scope of work being cataloged which includes GIS Mapping, Development Agreement Tracking, Movement in Verification, not activity and Multiple Family Agreements.

i. **AFFORDABLE HOUSING AFFORDABILITY PERIOD**

Amy Connolly presented the request for consideration to authorize a limited exception for the Southern Palms subdivision to the MRA Board's policy that the new affordability periods apply only to homes purchased after June 2026.

Under the new policy, the MRA affordability period is reduced from 20 years to a maximum of 10 years, or a maximum of 15 years if the homeowner receives more than \$50,000 in federal HOME funds.

For Southern Palms only, the requested exception would allow these new affordability periods to apply retroactively to homeowners who purchased and closed on their homes before June 2026.

Director Fontaine made a motion to approve the Affordable Housing Affordability Period as presented. The motion was seconded by Director Middleton and carried by unanimous vote.

ii. **SPECIAL WARRANTY DEED AMENDMENTS**

Ms. Connolly presented the Amendment to Deed Restrictions, amending the Affordability Period restriction affecting property granted to Mayberry Homes, Inc. in that certain Special Warranty Deed With Vendor's Lien dated January 31, 2023, in substantially the form presented to the Board.

Director Fontaine made a motion to authorize the Special Warranty Deed Amendments as presented. The motion was seconded by Director Foster and carried by unanimous vote.

HOUSTON AREA URBAN LEAGUE PROFESSIONAL SERVICES AGREEMENT

Marlon Marshall, COO provided an overview of the Houston Area Urban League Professional Services Agreement homebuyer education program and the continuation of homeownership support services for participants in the Midtown Redevelopment Authority (MRA) Affordable Housing Program.

Mr. Marshall requested the authorization of \$117,035.08 to enter into a professional services agreement with the Houston Area Urban League (HAUL) to provide homebuyer education, housing counseling, income eligibility determination, mortgage readiness, assessment, transaction coordination, and post-purchase counseling services.

Director Robibson made a motion to for the authorization of \$117,035.08 and enter into a professional services agreement with the Houston Area Urban League. The motion was seconded by Director Gilford and carried by unanimous vote.

URBAN PLACE CONSULTING – INTERIM EXECUTIVE DIRECTOR REPORT

CLEAN & SAFE TEAM

Rena Leddy of Urban Place Consulting provided an overview of the Midtown Clean and Safe Ambassador pilot program which will begin in October. Midtown Staff designed the program to enhance quality of life, cleanliness, and coordinated field services within selected areas of Midtown. The program is funded by the Midtown Management District

Ms. Leddy explained that the Safe and Clean Ambassadors will provide a uniform presence that addresses quality-of-life and cleanliness concerns in designated areas. The program will deploy four Safety Ambassadors and four Clean Ambassadors who will work collaboratively in the field to identify and respond to community needs.

Upon discussion with members of the board, it was noted the pilot program will be reviewed, monitor activities, track service delivery, and evaluate program outcomes throughout the pilot period. At the conclusion of the pilot, the Board can use the results to determine whether the program is achieving the intended outcomes and whether an ongoing service model is warranted.

BOARD RETREAT

Steve Gibson of Urban Place Consulting mentioned the upcoming Midtown Board of Directors workshop and more information will be forthcoming.

REPORT

Rena Leddy of Urban Place Consulting reported a three-part initiative to strengthen the Authority's financial position: (1) streamlining and terminating underperforming vendor contracts, (2) reactivating the park rental licensing program as a genuine revenue source, and (3) turning the Midtown Park Garage from a loss/break-even operation into a consistently profitable asset. A report was provided with details.

ADJOURN

There being no further business to come before the Board, the meeting was adjourned.

Christopher M. Johnston, Secretary

DRAFT

AUDIT FY 2026

Midtown Redevelopment Authority

REQUIRED COMMUNICATIONS

June 30, 2026

DRAFT

September XX, 2026

The Board of Directors and Management
Midtown Redevelopment Authority

We are pleased to present the results of our audit of the 2026 financial statements of the governmental activities and major funds, including the related notes to the financial statements, which collectively comprise the basic financial statements of Midtown Redevelopment Authority (the Authority).

This report to the Board of Directors and management summarizes our audit, the report issued and various analyses and observations related to the Authority's accounting and reporting. The document also contains the communications required by our professional standards.

Our audit was designed, primarily, to express opinions on the Authority's 2026 financial statements. We considered the Authority's current and emerging business needs, along with an assessment of risks that could materially affect the basic financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you expect. We received the full support and assistance of the Authority's personnel.

At Carr, Riggs & Ingram, LLC (CRI), we are continually evaluating the quality of our professionals' work in order to deliver audit services of the highest quality that will meet or exceed your expectations. We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the use of the Board of Directors and management of the Authority and is not intended to be, and should not be, used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 832-333-7509 or at jortiz@CRIadv.com.

Very truly yours,

Jessica Ortiz
Partner

Required Communications

As discussed with the Board of Directors and management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Authority. Specifically, we planned and performed our audit to:

- Perform audit services, as requested by the Board of Directors, in accordance with auditing standards generally accepted in the United States of America, in order to express opinions on the Authority's financial statements for the year ended June 30, 2026;
- Communicate directly with the Board of Directors and management regarding the results of our procedures;
- Address with the Board of Directors and management any accounting and financial reporting issues;
- Anticipate and respond to concerns of the Board of Directors and management; and
- Other audit related procedures as they arise and upon request.

We have audited the financial statements of the governmental activities and each major fund of Midtown Redevelopment Authority (the Authority) as of and for the year ended June 30, 2026 and have issued our report thereon dated September XX, 2026. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Auditor's responsibility under Generally Accepted Auditing Standards	As stated in our engagement letter dated July 27, 2026, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (GAAP) and to report on the fairness of supplementary information as described in the engagement letter when considered in relation to the financial statements as a whole. Our audit of the financial statements does not relieve you of your responsibilities. As part of our audit, we considered the internal control of the Authority. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the financial statements of financial position, and results of operations in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud. Management is responsible for overseeing nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluating the adequacy and results of those services; and accepting responsibility for them.
Planned scope and timing of the audit	Our initial audit plan was not significantly altered during our fieldwork.
Management judgments and accounting estimates <i>The process used by management in forming particularly sensitive accounting estimates and the basis for the auditor's conclusion regarding the reasonableness of those estimates.</i>	See "Accounting Policies, Judgments, and Sensitive Estimates & CRI Comments on Quality" section.
Potential effect on the financial statements of any significant risks and exposures <i>Major risks and exposures facing the Authority and how they are disclosed.</i>	No such risks or exposures were noted other than those disclosed in the notes to the financial statements.

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditor's judgment about the quality of accounting principles <i>The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</i> <i>The auditor should also discuss the auditor's judgment about the quality, not just the acceptability, of the Authority's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures.</i> <i>Critical accounting policies and practices applied by the Authority in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;</i> <i>Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor; Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.</i>	Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Authority are described in Note 1 to the financial statements. Effective July 1, 2025, the Authority adopted the provisions of GASB Statement No. 103, Financial Reporting Model Improvements, and GASB Statement No. 104, Disclosure of Certain Capital Assets. There were no significant impacts of implementing these statements. We noted no transactions entered into by the Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the basic financial statements in the proper period. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were: • Note 2 – Restricted assets, Loans and bonds payable • Note 3 – Fund balances • Note 5 – Lease revenue • Note 8 – Commitments and contingencies The Authority's financial statement disclosures are neutral, consistent, and clear.

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Significant difficulties encountered in the audit <i>Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.</i>	We encountered no significant difficulties in dealing with management in performing and completing our audit.
Disagreements with management <i>Disagreements, whether or not subsequently resolved, about matters significant to the financial accounting, reporting, or auditing matter, that could be significant to the financial statements or auditor's report. This does not include those that came about based on incomplete facts or preliminary information.</i>	We are pleased to report that no such disagreements arose during the course of our audit.
Other findings or issues <i>Matters significant to oversight of the financial reporting practices by those charged with governance, including any circumstances that could affect the form or content of the report. For example, an entity's failure to obtain the necessary type of audit, such as one under Government Auditing Standards, in addition to GAAS.</i>	None noted.
Matters arising from the audit that were discussed with, or the subject of correspondence with, management <i>Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.</i>	None noted.
Corrected and uncorrected misstatements <i>All significant audit adjustments arising from the audit, whether or not recorded by the Authority, that could, individually or in the aggregate, have a significant effect on the financial statements. We should also inform the Board of Directors about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We should also inform the Board about any internal control deficiencies that could have prevented the misstatements.</i>	See "Summary of Audit Adjustments" section.

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Major issues discussed with management prior to retention <i>Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.</i>	Discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Consultations with other accountants <i>When management has consulted with other accountants about significant accounting or auditing matters.</i>	None of which we are aware except those consultations performed in the normal course of business to the Authority's outside accountant.
Written representations <i>A description of the written representations the auditor requested.</i>	See "Management Representation Letter" section.
Internal control deficiencies <i>Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditor's attention during the audit.</i>	See "Internal Control Findings" section.
Fraud and illegal acts <i>Fraud involving the Authority's personnel or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditor's attention involving senior management and any other illegal acts, unless clearly inconsequential.</i>	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the financial statements.
Significant unusual accounting transactions <i>Auditor communication with governance to include auditor's views on policies and practices management used, as well as the auditor's understanding of the business purpose.</i>	No significant unusual accounting transactions were noted during the year.
Other information in documents containing audited financial statements <i>The external auditor's responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.</i>	Our responsibility related to documents (including annual reports, websites, etc.) containing the financial statements is to read the other information to consider whether: • Such information is materially inconsistent with the financial statements; and • We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements.

Required Communications

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Required Supplementary information <i>The auditor's responsibility for required supplementary information accompanying the financial statements, as well as any procedures performed and the results.</i>	Required supplementary information (RSI) accompanying the financial statements was subjected to certain limited procedures, including inquiries of management regarding the methods for preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during the audit of the Authority's basic financial statements. However, we did not audit the RSI and do not express an opinion or provide any assurance on the RSI.
Supplementary information <i>The auditor's responsibility for supplementary information accompanying the financial statements.</i>	Other supplementary information, which accompanies the basic financial statements but is not RSI, was subject to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures. The supplementary information includes an in relation opinion to the basic financial statements as a whole.

Accounting Policies, Judgments, and Sensitive Estimates and CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Authority's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The Board of Directors may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	AUDITOR'S CONCLUSIONS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Leases	The Authority's lease receivable is measured at the present value of lease payments expected to be received during the lease term. A deferred inflow of resources is also recorded for the leases. The deferred inflow of resources is recorded at the initiation of the lease in an amount equal to the recording of the lease receivable. The deferred inflow of resources is amortized on a straight-line basis over the term of the lease.	X	Judgment in this area relates to the determination of the incremental borrowing rate and the option periods for renewals being exercised at commencement of the lease agreements.	The Authority's policies are in accordance with all applicable accounting guidelines.
Depreciation of Capital Assets	The Authority depreciates capital assets using the straight-line method.	X	The Authority depreciates capital assets over their estimated useful lives which are based on the experience with similar assets.	The Authority's policies are in accordance with all applicable accounting guidelines.

Accounting Policies, Judgments, and Sensitive Estimates and CRI Comments on Quality

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	AUDITOR'S CONCLUSIONS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Other Long-Term Liabilities	The Authority recognizes its obligation to convey an asset in the future at its estimated carrying value as of the expected conveyance date.	X	Judgment in this area relates to the determination of the estimated carrying value as of the expected conveyance date.	The Authority's policies are in accordance with all applicable accounting guidelines.

DRAFT

Summary of Audit Adjustments

During the course of our audit, we accumulate differences between amounts recorded by the Authority and amounts that we believe are required to be recorded under GAAP reporting guidelines. Those adjustments are either recorded (corrected) by the Authority or passed (uncorrected). Uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even if, in the auditor's judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Recorded Adjustments:

Account	Description	Debit	Credit
Adjusting Journal Entries JE # 3			
To record Houston Endowment Grant awarded but not received at year-end			
CRI-179999	Houston Endowment Grant	200,000.00	
400032	Other Revenue		200,000.00
Total		200,000.00	200,000.00

Summary of Audit Adjustments

**Unrecorded (Passed) Adjustments:**

The uncorrected (passed) adjustments were determined to be immaterial to both the government-wide and the fund financial statements.

Account	Description	Debit	Credit
Proposed JE #			
201			
To correct depreciation expense			
1500784	Acc Depr Office Housng & Garage	118,202.00	
1110	Retained Earnings		118,202.00
Total		118,202.00	118,202.00
Proposed JE #			
202			
To correct the loss recorded on termination of lease with Humana.			
451000	Gain/Loss on Cancelled Leases	12,233.00	
400040	3131 EMANCIPATION		12,233.00
Total		12,233.00	12,233.00
Proposed JE #			
203			
To correct disposal/sale amount of land MRA 291.			
450000	Gain/Loss from Sale of Land	87,489.00	
150080	Land (Resale)		87,489.00
Total		87,489.00	87,489.00
Proposed JE #			
204			
To correct the purchase price amount of land MRA 105 and the disposal/sale amount of land MRA 106.			
150080	Land (Resale)	41,492.00	
450000	Gain/Loss from Sale of Land	41,492.00	
1110	Retained Earnings		82,984.00
Total		82,984.00	82,984.00

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in earnings or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Authority's operating environment that has been identified as playing a significant role in the Authority's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference has the effect of increasing management's compensation – for example, by satisfying requirements for the award of bonuses or other forms of incentive compensation.
- Whether the difference involves concealment of an unlawful transaction.

Summary of Adjustments

The following entries were provided by the outside accountant during the course of the audit:

Account	Description	Debit	Credit
Adjusting Journal Entries			
Adjusting Journal Entries JE # 1			
PBC - To recognize current year revenue from PILOTI and Concession Fee			
210401	ION Deferred Tax Increment	93,277.00	
210402	ION Unearned Concession Fee	82,758.00	
400044	ION Garage Concession Fee		176,035.00
Total		176,035.00	176,035.00
Adjusting Journal Entries JE # 2			
PBC - To record liability for invoice and agreement received on 8/13/2026 for Pearl Residences			
510040	Developer Reimbursement	251,108.00	
510096	T-0207 Opr of Zone Prj Faciliti	8,863.00	
200000	Accounts Payable		8,863.00
200005	Accrued Expenses		251,108.00
Total		259,971.00	259,971.00
Adjusting Journal Entries JE # 4			
PBC Entry to Record Estimate of Arbitrage Liability due as of June 30, 2026			
59000	Other Expense	272,791.00	
200005	Accrued Expenses		272,791.00
Total		272,791.00	272,791.00

The Board of Directors and Management of
Midtown Redevelopment Authority

In planning and performing our audit of the financial statements of the governmental activities and each major fund of Midtown Redevelopment Authority (the Authority) as of and for the year ended June 30, 2026, in accordance with auditing standards generally accepted in the United States of America, we considered the Authority's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit, we became aware of a deficiency in internal control other than a significant deficiency or material weakness, which is described in the accompanying chart.

This communication is intended solely for the information and use of management, the Board of Directors, and others within the Authority, and is not intended to be, and should not be, used by anyone other than these specified parties.

Houston, Texas
September XX, 2026

The following legend should be used in conjunction with reviewing the “Rating” of each of the identified internal control items:

IP = Improvement Point	D = Control Deficiency	SD = Significant Deficiency	MW = Material Weakness
---	---	--	---

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION	MANAGEMENT ACTION
2026-01	D	Revenue, Expenses	During the audit, we noted that a grant agreement was not recorded in accordance with the accounting treatment under GASB Statement No. 33 ("Accounting and Financial Reporting for Nonexchange Transactions").	We recommend the Authority implement procedures to ensure that accounting determinations for the recognition and subsequent treatment of grant income, deferred grant revenue, and grant receivables are made in accordance with the requirements of GASB Statement No. 33.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Midtown Redevelopment Authority
Houston, Texas

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Midtown Redevelopment Authority (the Authority), a component of the City of Houston, Texas, as of and for the year ended June 30, 2026, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Authority, as of June 30, 2026, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The budgetary comparison schedule – all funds, schedule of operating and capital expenditures, the schedule of estimated project costs to actual costs, the schedule of properties held – land held for resale and the schedule of capital assets (supplementary information), are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Houston, Texas

Midtown Redevelopment Authority Management's Discussion and Analysis

The purpose of this discussion and analysis of Midtown Redevelopment Authority's (the Authority) financial statements is to help readers understand what the financial statements and notes in this financial report say about the Authority's financial health and why it changed since last year. This discussion and analysis includes comparative data for the year ended June 30, 2026 with the year ended June 30, 2025. Since Management's Discussion and Analysis is designed to focus on current activities, resulting changes and current known facts, please read in conjunction with the Authority's basic financial statements and the footnotes.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to Rena Leddy or Steve Gibson, Co-CEOs, 410 Pierce Street, Suite 355, Houston, Texas 77002.

OVERVIEW OF THE FINANCIAL STATEMENTS

Under Governmental Accounting Standards Board, the Authority qualifies as a special purpose government with one program - redevelopment of Midtown.

The Authority's financial report contains basic financial statements. The financial statements present the Authority's finances at both an overall and detailed level.

Government-wide statements, which use the *economic resources measurement focus* and *accrual basis of accounting*, are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private sector business. The Statement of Net Position includes all of the Authority's assets (resources the Authority controls), liabilities (amounts the Authority owes), deferred outflows of resources and deferred inflows of resources (flows that occurred during the year, or in prior years, that will not be reported as expenses and revenues until the future year to which they are related), with the difference between them presented as net position. Over time, increases or decreases in the Authority's net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating. The Statement of Activities presents information showing how the Authority's net position changed during the most recent fiscal year. All the current year's revenues and expenses are accounted for in this statement, regardless of when cash is received or paid.

The fund financial statements report information about the Authority using the *current financial resources measurement focus* and *modified accrual basis of accounting*, which only accounts for revenues that are measurable and available within the current period or soon enough thereafter to pay liabilities of the current period. The governmental funds do not report nonfinancial assets, such as capital assets, or certain other long-term items, such as revenue bonds, but they do report the flows of current financial resources related to those items; for example, the proceeds from issuing bonds as well as principal and interest payments on bonds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. The Authority has five governmental funds, including the general fund, the Authority's main operating fund, a debt service fund to record the repayment of outstanding bonds, a capital projects fund account for resources used for capital projects of the Authority that are paid with funds from tax increment bonds, an infrastructure and project fund account for resources used for capital projects of the Authority that are paid with tax increments, and an affordable housing fund to account for resources that are required to be used for affordable housing projects.

Midtown Redevelopment Authority Management's Discussion and Analysis

OVERVIEW OF THE FINANCIAL STATEMENTS (Continued)

Since the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. Adjustments are provided to reconcile the government-wide statements to the fund statements. Explanations for the reconciling items are provided as part of the basic financial statements.

More detail about the measurement focuses and bases of accounting can be found in the first note to financial statements, the summary of significant accounting policies, beginning on page 21.

The next section of this financial report contains *notes to financial statements*, which delve deeper into the Authority's finances as reported in the financial statements. The information in the notes is as important to understanding the Authority's finances as the information in the financial statements. The Authority uses notes to (1) present information in greater detail than is possible within the financial statements themselves, (2) explain the nature of amounts reported in the financial statements and how those amounts were determined, and (3) report certain information that does not meet the requirements for inclusion in the financial statements (such as certain commitments or contingencies).

FINANCIAL SUMMARY AND DETAILED ANALYSIS

GOVERNMENT-WIDE FINANCIAL ANALYSIS

At the creation of the Tax Increment Reinvestment Zone Number Two (Midtown TIRZ or Zone) in 1995, the appraised base year value for real property located within the Zone was \$157.1 million. With the addition of four annexations of land in each of 1997, 1999, 2009 and 2015, the appraised base year value for real property located within the Zone increased to \$287.6 million. The preliminary ad valorem tax value for tax year 2025 (collectible Fiscal Year 2026) of real property located within the Zone is \$3.335 billion.

The Authority continues its 2015 Management Agreement with Midtown Improvement and Development Corporation (MIDCorp), doing business as Midtown Parks Conservancy (MPC), to operate, maintain, and preserve key parks and facilities, including Bagby Park, Midtown Park, and the associated underground parking structure. Capital replacement and renewal of improvements to Midtown Park, Bagby Park, and Main Street were completed in fiscal year 2026. With an expanding portfolio of projects, the Zone remains committed to ensuring long-term operations and maintenance funding for fiscal year 2027.

The Caroline Street Project—comprising roadway, infrastructure, bicycle, and streetscape enhancements between Pierce and Elgin—was substantially completed in fiscal year 2024. Total costs exceeded \$14 million, of which \$5.5 million was funded by a Texas Department of Transportation (TxDOT) grant. The project included green stormwater and sustainable streetscape elements similar to those installed on Bagby Street. TxDOT has initiated final project closeout which will require payment of the remaining balance to TxDOT for construction and TxDOT management fees.

Planning and design began in fiscal year 2023 for roadway reconstruction, infrastructure upgrades, and streetscape enhancements along Brazos Street from St. Joseph to Elgin. The project will incorporate Low Impact Development (LID) strategies, green stormwater infrastructure, and sustainable streetscape elements similar to those on Bagby Street. The project has been placed on a temporary hold by the City of Houston to ensure the design aligns with infrastructure mandates of the current administration.

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The Authority continued work on implementation of the Urban Redevelopment Plan's recommended priority programs and incentives developed based on feedback gathered during Developer Engagement Workshops. Recommended priority programs and incentives are intended to address barriers to development, increase awareness of available incentive programs, and explore new programs to encourage future development in Midtown.

The Authority continued planning and design efforts for additional street pavement and sidewalk improvement projects associated with its Street Overlay and Safe Sidewalk Programs. Work includes comprehensive mill and asphalt overlay with crosswalk and pavement marking improvements and sidewalks generally 5 feet to 6 feet. Improvements will be constructed in phases with priority based on pavement condition ratings, sidewalk conditions assessment, and community feedback. Corridors currently in design include Isabella, Truxillo, Jackson, Chenevert, Hadley, Cleburne, and Caroline Streets.

The Authority continued planning and funding coordination for cap parks and signature bridges related to the Texas Department of Transportation North Houston Highway Improvement Project (NHHIP). Houston-Galveston Area Council (HGAC) awarded a grant to the City of Houston for Segment 3A caps and 3B2 bridges along IH 69/US 59 in Midtown. The \$78.8 million grant package includes caps at Caroline–Wheeler (\$15.3 million), Almeda–Cleburne (\$12.8 million), Fannin (\$33.2 million) and signature bridges at Elgin, McGowen, Tuam (\$5.8 million each). The Authority will continue coordination with City and TxDOT on incorporation of the grant funded improvements into the NHHIP project.

As part of TxDOT's NHHIP, the Authority will continue collaboration with TxDOT and the City of Houston on the conceptual design for the Caroline/Wheeler Cap Park. This project will create new parkland above the reconstructed Midtown segment of I-59/69. Planning and feasibility studies will continue into fiscal year 2027.

The Authority continued discussions with CenterPoint Energy to install additional Midtown decorative streetlights beyond standard City spacing minimums. CenterPoint Energy initiated design for proposed installation sites with. construction projected to begin in fiscal year 2027.

The Authority continues to advance its Affordable Housing Program, with a strong emphasis strategic partnerships and development agreements that expand access to quality housing for low- and moderate-income households.

Between 2005 and 2019, the Authority assembled over 5 million square feet of land in the Third Ward and Southeast Houston at a cost of \$40.9 million. The Authority assists in the development of affordable housing by providing this land at no or low cost to both multifamily and single-family housing developers in exchange for the development of housing affordable to lower-income households. To date, the Authority has granted or sold to developers approximately 2.75 million square feet of affordable housing land. Once developed, the housing is sold to qualified buyers with household incomes not exceeding 120% of the area median income, as determined by the U.S. Department of Housing and Urban Development (HUD), or rented to qualified households with incomes not exceeding 80% of the area median income. Currently, the Authority has over 745,000 square feet of land under development for affordable housing. There are approximately 2 million square feet of land available for future development.

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

In fiscal year 2026, the Authority entered into a Development Agreement with Heart of Houston Community Development Corporation for the development of 22 affordable duplex housing units on 113,116 square feet of land. Additionally, the Authority amended existing agreements with the following developers: Boynton-Houston Community Development Corporation, Change Happens Community Development Corporation, Fifth Ward Community Revitalization Corporation, and the Herbert Stroman Foundation. The Board also approved a purchase and sale agreement with the City of Houston to convey a 101,978-square-foot tract of land for a future fire station.

Additionally, the Authority has partnered with City of Houston Housing and Community Development (HCD) Department for administration of its Affordable Housing Program in the Greater Third Ward community.

In fiscal year 2026 the Authority continued to work under the Amended 2017 Municipal Service Cost Agreement with the City and remitted approximately \$730,000 to the City in July 2025 for the purposes of reimbursing the City for increased public safety services within the Zone. This agreement has automatically renewed annually at amounts determined pursuant to the adopted budget. In addition, the Zone and the Authority may pay all or a portion of certain supplemental services within the boundaries of the Zone, such as homeless initiatives, private security services, cleanup and trash/debris removal, and public safety education and coordination services.

The Ion District Economic Development Agreement with the Rice Management Company (RMC or Rice) and the Authority relates to the development of The Ion District on approximately 16 acres of land in the southern portion of the Midtown Zone. The innovation district development includes an approximately 300,000 square feet innovation hub (The Ion) and has a public realm, mixed-use development with community spaces of plazas, educational/cultural spaces, a parking garage, restaurant and retail spaces, walkways and gardens on multiple blocks of property located in the southern portion of the Midtown Zone and is generally situated between Isabella Street to the North, Ruth Street to the West, Wheeler Avenue to the South and Austin Street to the East. As part of the agreement, RMC plans to construct and install certain public infrastructure and improvements which will significantly contribute to the economic improvement and development of the Midtown Zone. The construction of the initial phase of public improvements and the parking garage are completed. Midtown paid \$274,525 in October 2025 as payment of The Ion District Economic Development Agreement.

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

Statement of Net Position

The Statement of Net Position includes all assets and liabilities using the accrual basis of accounting. The following table reflects condensed information (rounded to the nearest thousand) on the Authority's net position at June 30:

	2026	2025
Assets		
Cash, cash equivalents and investments	\$ 60,326,000	\$ 60,851,000
Tax increment receivables	-	2,004,000
Grant receivable	200,000	-
Other receivables	320,000	352,000
Lease receivable	827,000	3,102,000
Property held for resale	23,817,000	24,285,000
Capital assets, net	131,744,000	134,915,000
Total assets	217,234,000	225,509,000
Liabilities		
Current liabilities	4,793,000	3,565,000
Other long-term liabilities	37,410,000	37,587,000
Loans and bonds payable – current	3,775,000	4,814,000
Loans and bonds payable – long-term	58,342,000	62,486,000
Total liabilities	104,320,000	108,452,000
Deferred inflow of resources	861,000	2,973,000
Net position		
Net investment in capital assets	93,316,000	92,756,000
Restricted	51,139,000	54,087,000
Unrestricted (accumulated deficit)	(32,402,000)	(32,759,000)
Total net position	\$ 112,053,000	\$ 114,084,000

Trust and operating cash accounts are invested in money market funds and local government investment pools (TexSTAR and LOGIC). All investments are stated at market value or amortized cost and are allowable under the Authority's investment policy and the Public Funds Investment Act.

Tax increment receivables at June 30 were due to the Authority from the following:

	2026	2025
Houston Community College System (HCCS)	\$ -	\$ 2,004,000
Total tax increment receivables	\$ -	\$ 2,004,000

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

Statement of Net Position (Continued)

In 2026, other receivables include amounts due from Harris County Engineering Department as well as amounts due from other entities under memos of understanding for reimbursement of shared services. In 2025, other receivables include amounts due from other entities under memos of understanding for reimbursement of shared services.

The Authority has various lease operations that are reported in accordance with GASB Statement No. 87. Accordingly, lease receivable and deferred inflow balances of approximately \$827,000 and \$861,000, respectively, were included in the Statement of Financial Position as of June 30, 2026 compared to approximately \$3,102,000 and \$2,973,000, respectively, as of June 30, 2025. The change was the result of current year payments received, executed lease extensions, and the cancellation of leases during fiscal year 2026.

Property held for resale relates to the Authority's affordable housing land assemblage program. During fiscal year 2026, the Authority sold/granted 10 properties with a cost of approximately \$468,000.

The decrease in capital assets, net, primarily relates to depreciation expense of approximately \$3.4 million, along with retirements of approximately \$13,000, partially offset by additions to capital assets of approximately \$250,000.

In 2026 and 2025, other long-term liabilities consist of a long-term liability of \$34.3 million to recognize the obligation to return a conveyed asset (a parking garage) back to a developer in December 2043 at the expected carrying value on that date. Additionally, at June 30, 2026 and 2025, there was approximately \$3.1 million and \$3.3 million, respectively, in unearned revenue related to the consideration paid upfront by the developer for the right to operate the parking garage for a period through December 2043. The decrease in unearned revenue is due to amortization of unearned revenue of approximately \$176,000 in fiscal year 2026.

The net increase in current liabilities relates primarily to an increase in developer reimbursements accrued of approximately \$251,000 due to timing of payments and the resolution of issues related to the developer agreement with Pearl, an increase of \$417,000 related to the annual municipal services fee to the City, which increased in fiscal year 2026 based on updated calculations from the City, an additional increase in payables of \$380,000 due to timing of payments and invoices, and an increase in retainage payable of \$84,000 due to timing of project expenditures.

Activity related to long-term debt and bonds payable at June 30, 2026 and 2025 is discussed more fully in the "Significant Capital Asset and Long-Term Financing Activity" section below.

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

Statement of Net Position (Continued)

At June 30, 2026 and 2025, the Authority has an unrestricted deficit of \$32.4 million and \$32.8 million, respectively. The deficit occurs by the Authority using bond funds and loans to pay for eligible project plan costs in current years in anticipation of receiving tax increments in future years. The Authority had net position restricted for debt service in the amount of \$11.9 million and \$13.0 million at June 30, 2026 and 2025, respectively; net position restricted for affordable housing in the amount of \$39.2 million and \$41.1 million at June 30, 2026 and 2025, respectively; and net position restricted for capital projects in the amount of \$5.3 thousands and \$5.1 thousands at June 30, 2026 and 2025, respectively. The Authority's total net position restricted for affordable housing includes amounts invested in land held for resale totaling \$23.8 million and \$24.3 million at June 30, 2026 and 2025, respectively.

Statement of Activities

The Statement of Activities presents the operating results of the Authority. The following table reflects condensed information (rounded to the nearest thousand) on the Authority's operations for the years ended June 30:

	2026	2025
Revenues		
Tax increments	\$ 14,195,000	\$ 19,264,000
Lease revenue	696,000	1,323,000
Operating grants and contributions	310,000	290,000
Capital grants and contributions	224,000	-
Investment and other revenues (losses)	1,760,000	(1,671,000)
Total revenues	17,185,000	19,206,000
Expenses		
Current	9,133,000	7,775,000
Interest on debt service	2,560,000	2,771,000
Capital outlay on behalf of the City of Houston	7,523,000	8,215,000
Total expenses	19,216,000	18,761,000
Change in net position	(2,031,000)	445,000
Net position - beginning of year	114,084,000	113,639,000
Net position - end of year	\$ 112,053,000	\$ 114,084,000

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

Statement of Activities (Continued)

The City and HISD have agreed, subject to certain limitations, to deposit to the Tax Increment Fund established for the Authority, a certain percentage of tax collections arising from their respective taxation of the increase, if any, in the appraised value of real property located in the Zone since a designated base year. The base year for the original Zone is 1995, and the base year for the annexed area is 1999. HCCS began contributing to the Tax Increment Fund in 2009 (tax year 2008) upon execution of the Interlocal Agreement between the Authority, the Zone, HCCS and the City. The City remits tax increments collected by the City, HISD and HCCS on an annual basis. Tax increments decreased significantly in fiscal year 2026 due to the end of HISD participation in fiscal year 2025 (total HISD funds received in 2025 were approximately \$5.1 million).

Lease revenue in fiscal year 2026 decreased substantially due to the cancellation of a lease at the Operations Center.

Significant amounts and changes related to non-tax increment revenues were as follows:

1. Reimbursements under interlocal agreements of \$553,000 in fiscal year 2026 decreased approximately \$332,000 as the agreements ended after the second quarter of fiscal year 2026 – see Note 7 to the financial statements.
2. Income from investments of approximately \$1.72 million was consistent with prior year due to continued strong market conditions.
3. Capital and operating grants of \$534,000 increased from prior year due mostly to a new \$224,000 interlocal agreement between the City and the Authority. Related expenses from those grants decreased approximately \$880,000 due to timing of when expenses were incurred.
4. Interest revenue on leases of approximately \$48,000 decreased \$60,000 from prior year due to the cancellation of a significant lease during the year.
5. Lease revenue of approximately \$696,000 decreased approximately \$620,000 from prior year due to the aforementioned cancellation of a significant lease.
6. Losses on the sale of affordable housing lots of approximately \$485,000 decreased approximately \$3,020,000 from prior year due to a significant decrease in the number of lots sold (lots are typically sold or granted for a nominal amount relative to their cost).
7. Miscellaneous revenues of approximately \$181,000 decreased \$220,000 due to build out reimbursements that were received in fiscal year 2025 but not 2026.

Capital outlay on behalf of the City of Houston funded from loan and bond proceeds and tax increments totaled 40% and 44% of total expenses in fiscal year 2026 and 2025, respectively. More detailed information about the Authority's capital outlays is presented in the supplementary information – Schedule of Operating and Capital Expenditures.

Midtown Redevelopment Authority Management's Discussion and Analysis

FINANCIAL SUMMARY AND DETAILED ANALYSIS (Continued)

FINANCIAL ANALYSIS OF THE AUTHORITY'S FUNDS

General Fund

At the end of the current fiscal year, the Authority's general fund reported an ending fund balance of approximately \$7.7 million, which is approximately \$0.4 million less than the prior fiscal year. Approximately 0.7% of the fund balance, or \$51,000, is related to leases and is considered nonspendable. Approximately 2.3% of the fund balances, or \$176,000, is restricted to various capital projects. Approximately 97% of the fund balance, or \$7.5 million, is assigned or available for spending at the government's discretion provided expenditures are allowable by the Authority's project plan and other legal authorities.

Infrastructure and Project Fund

At the end of the current fiscal year, the Authority's infrastructure and project fund reported an ending fund balance of approximately \$17.8 million, which is approximately \$1.1 million more than the prior fiscal year. Approximately 15% of the fund balance, or \$2.6 million, is committed to various capital projects and developer and grant agreements entered into by the Authority. Approximately 85% of the fund balance, or \$15.2 million, is assigned or available for spending at the government's discretion provided expenditures are allowable by the Authority's project plan and other legal authorities. The increase in the fund balance was due to an increase in specific contract commitments for future projects, as well as an increase in amounts assigned to future projects.

Capital Projects Fund

At the end of the current fiscal year, the Authority's capital projects fund reported an ending fund balance of approximately \$5.3 thousand, which is similar to the prior fiscal year. The entirety of the fund balance is restricted for capital projects.

Affordable Housing Fund

At the end of the current fiscal year, the Authority's affordable housing fund reported an ending fund balance of approximately \$39.2 million, which is approximately \$1.9 million less than the prior fiscal year. Approximately 61% of the fund balance, or \$23.8 million, is related to properties owned for purposes of building affordable housing and is considered nonspendable. Approximately 0.2%, or (\$84,000), is related to leases and is also considered nonspendable. Approximately 39% of the fund balance, or \$15.5 million, is restricted to affordable housing expenditures. The decrease in the fund balance was due to expenditures and transfers to other funds totaling \$3.2 million, offset by approximately \$1.3 million in net revenues from tax increments, investment income and sales of affordable housing lots.

Debt Service Fund

At the end of the current fiscal year, the Authority's debt service fund reported an ending fund balance of approximately \$13.1 million, which is a decrease of approximately \$1.2 million from the prior fiscal year. The entirety of the fund balance is restricted for debt service payments. The fund balance decreased due to reduced future annual obligations as notes and bonds are paid down or paid off.

Midtown Redevelopment Authority Management's Discussion and Analysis

SIGNIFICANT CAPITAL ASSET AND LONG-TERM FINANCING ACTIVITY

CAPITAL ASSETS

As of June 30, 2026, the Authority had approximately \$131.7 million, net of accumulated depreciation, invested in a broad range of capital assets including land, land improvements, buildings and furniture, equipment, donated works of art and a conveyed structure.

More detailed information about the Authority's capital assets is presented in the notes to the basic financial statements.

DEBT ADMINISTRATION

As of June 30, 2026 and 2025, the Authority has three series of Tax Increment Contract Revenue Bonds totaling \$62,117,000 and \$66,991,000, respectively. A debt service reserve fund in the amount of \$13,396,113 is required based on an amount equivalent to the estimated annual debt service.

Total loans outstanding at June 30, 2025 were approximately \$309,000. There were no loans outstanding at June 30, 2026.

The City limits the amount of debt that the Authority may incur. The current debt limitation that the City has approved for the Authority is \$98 million for the issuance of bonds and \$6 million for the issuance of notes, which are secured by tax increments paid by the City to the Authority pursuant to the Tri-Party Agreement.

Additional information on the Authority's long-term debt can be found in the notes to the basic financial statements.

CURRENTLY KNOWN FACTS, DECISIONS, OR CONDITIONS

Looking ahead, the Authority will continue to invest in infrastructure, mobility, public space, and housing initiatives that support the Midtown community's long-term growth and quality of life. Key projects anticipated for fiscal year 2027 and beyond include:

The Authority will continue implementation of the Urban Redevelopment Plan's recommended priority programs and incentives to address barriers to development, increase awareness of available incentive programs, and explore new programs to encourage future development in Midtown.

In coordination with the City of Houston, the Authority will use updated pavement condition data to prioritize and implement future asphalt overlays and repair and/or replace damaged sidewalks and accessibility ramps across Midtown's local street network. In fiscal year 2027, construction of street overlay and sidewalk improvements will begin on the following corridors: Isabella, Truxillo, Jackson, Chenevert, Hadley, Cleburne, and Caroline Streets.

The Authority has secured a \$1,562,000 FTA grant and \$179,000 Council District Service Funds (District D, CM Evans Shabazz) supporting mobility and pedestrian improvements along Cleburne Street and Caroline Street. No grant funds were expended in fiscal year 2026.

Midtown Redevelopment Authority Management's Discussion and Analysis

CURRENTLY KNOWN FACTS, DECISIONS, OR CONDITIONS (Continued)

Planning and design will continue for public realm enhancements to the Brazos Street corridor between St. Joseph Parkway and Elgin Street. The project will address mobility, infrastructure, and pedestrian improvements to create a comfortable and safe corridor to better accommodate growing mobility and infrastructure demands and facilitate additional redevelopment. The project is partially funded through a Federal Transit Administration (FTA) grant.

Planning will begin for public realm enhancements to the Alabama Street corridor between Spur 527 and Chenevert Street. The project will address mobility, infrastructure, and pedestrian improvements to create a comfortable and safe corridor to better accommodate growing mobility and infrastructure demands and facilitate additional redevelopment. The project is partially funded through a FTA grant.

In partnership with The Goodman Corporation, the Authority will pursue federal, state, and local grants, including funding from the Federal Transit Administration, Texas Commission on the Arts, City of Houston Art Initiative Program, Houston-Galveston Area Council, and the Texas Department of Transportation. These resources will help advance large-scale public infrastructure, green space improvements, transit-oriented development, and public art installations.

Beginning in fiscal year 2027, the Authority expects to begin receiving a tax increment from Harris County; however, no agreement has yet been executed.

Midtown Redevelopment Authority

Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances of Governmental Funds to the Statement of Activities

For the year ended June 30, 2026

Change in total fund balance of governmental funds	\$ (2,243,877)
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the life of the assets:	
Capital additions (total capital outlays of \$7,683,649 less capital outlays on behalf of the City of Houston of \$7,522,729)	250,252
Depreciation expense	(3,407,525)
In the statement of activities, only the gain/loss on the sale/disposal of capital assets is reported. However, in the government funds, the proceeds from the sale increase financial resources. Thus, the change in net position differs from the change in fund balance by the cost of the capital assets sold/disposed.	(13,498)
Repayment of bond and loan principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	4,813,968
Governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities	369,039
Certain operating grants and contributions in the statement of activities that do not provide current financial resources are not reported as revenues in the funds	200,000
Tax increments collected in the current year and reported as revenues in the funds were recognized as revenues in previous years in the statement of activities	(2,003,697)
Some expenditures reported in the governmental funds are not reported as expenses in the statement of activities as they were reported when the liability was incurred, regardless of the timing of the related cash flow	3,427
Change in net position of governmental activities	\$ (2,031,911)

The accompanying notes are an integral part of these basic financial statements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Midtown Redevelopment Authority (the Authority) is a local government corporation, incorporated on July 11, 1995 under the laws of the State of Texas, and operating under Chapter 431, Texas Transportation Code. The Authority was authorized by the City of Houston (the City) on June 28, 1995 to aid, assist and act on behalf of the City in the performance of the City's obligations with respect to Reinvestment Zone Number Two, City of Houston, Texas (Midtown TIRZ or Zone).

City of Houston Reinvestment Zone Number Two

Midtown TIRZ was created on December 14, 1994, under Chapter 311, Texas Tax Code (TIF Act), by the City, as a tax incremental reinvestment zone (TIRZ). The Midtown TIRZ originally consisted of 356 acres of the area known as Midtown. Of this total, 203 acres were designated for redevelopment during the life of the Midtown TIRZ (original area/Part A). In 1997, the City approved the addition of approximately 108 acres of land contiguous to the original zone (expanded area/Part B). In 1999, the City approved an additional six parcels of land, totaling approximately 153 acres that are contiguous to the original zone (expanded area/Part C) and in 2009, the City approved the enlargement of the Midtown TIRZ to include additional tracts of land immediately adjacent to the existing Zone which designated the Cultural District and the related facilities (expanded area/Part D). Part D consists of publicly owned land and is not presently taxed. Midtown TIRZ is authorized to provide new capital for public works and public improvements in Midtown. Midtown TIRZ provides a source of funding through the tax increments generated by redevelopment of the Midtown area. The area known as Midtown is generally located between the central business district of the City and the Texas Medical Center. During 2021, the City approved the extension of the life of the Zone until December 31, 2050.

Reporting Entity

As required by accounting principles generally accepted in the United States of America, these financial statements represent all the funds of the Authority. The Authority is a component unit of the City of Houston, Texas. Component units are legally separate entities for which the primary government is financially accountable. The City appoints voting Board Members and approves the Authority's budget. There are no separate legal entities that are a part of the Authority's reporting entity. In evaluating the Authority as a reporting entity, management has considered all potential component units in accordance with Section 2100: Defining the Financial Reporting Entity of the Governmental Accounting Standards Board (GASB) Codification.

The accounting policies of the Authority conform to generally accepted accounting principles (GAAP) as applied to governmental units. The more significant accounting policies used by the Authority are described below.

Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all the nonfiduciary activities of the primary government and its component units. Governmental activities, which normally are supported by taxes, intergovernmental revenues, and other nonexchange transactions, are reported separately from business-type activities, which rely to a significant extent on fees and charges to external customers for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable. The Authority does not have any component units or business-type activities.

Midtown Redevelopment Authority

Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-Wide and Fund Financial Statements (Continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Tax increments and investment income not included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and enterprise funds are reported as separate columns in the fund financial statements. The Authority has five governmental funds: the general fund, the infrastructure and project fund, the capital projects fund, the affordable housing fund, and the debt service fund. The Authority does not have any proprietary or fiduciary funds.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as *current financial resources* or *economic resources*. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Tax increments are recognized as revenues in the year for which the related taxes are levied. Grants and similar items are recognized as revenue as soon as all eligibility and timing requirements imposed by the provider have been met.

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and proceeds from sale of capital assets are reported as other financing sources.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-Wide Financial Statements

While separate government-wide and fund financial statements are presented, they are interrelated.

Fund Financial Statements

The fund financial statements provide information about the Authority's funds. The Authority reports the following major governmental funds:

The *General Fund* is the Authority's primary operating fund. It accounts for all financial resources of the general government which are used to implement the Authority's Project Plan and Reinvestment Zone Financing Plan (Project Plan).

The *Infrastructure and Project Fund* accounts for the construction of the Authority's capital projects from tax increments.

The *Capital Projects Fund* accounts for the construction of the Authority's projects funded with bond proceeds.

The *Affordable Housing Fund* accounts for the accumulation of financial resources for the payment of affordable housing projects.

The *Debt Service Fund* accounts for the accumulation of financial resources for the payment of principal and interest on bonds issued by the Authority. Tax increments are used for the payment of principal and interest.

Budgetary Information

Budgetary Basis of Accounting

The Board adopted an unappropriated budget for the combined governmental funds of the Authority for the year ended June 30, 2025. The budget was approved by the Board in January 2026, but has not been approved by the City. The fiscal year 2026 budget for the Authority was not yet approved by the Board or the City. The Authority continued to operate under its board approved budget for fiscal year 2025 pursuant to Section VI of the Tri-Party Agreement between the City, the Authority and the Zone. As the budget is not legally adopted, as defined by GASB, the budgetary comparison schedule is presented as supplementary information.

The unappropriated budget is based on projected tax increments revenues and is prepared according to the Authority's Project Plan. The budget may be amended during the year, as determined necessary, by the Board of Directors. After adoption, increases and decreases in the budget may be made upon Board of Director's and the City's approval.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Deferred Outflows, Liabilities, Deferred Inflows, and Net Position or Fund Balance

Cash and Cash Equivalents

The Authority's cash and cash equivalents are considered to be cash on hand, and demand deposits held in banks with original maturities of three months or less from the date of acquisition.

Investments

Investments of the Authority consist of Texas Short Term Asset Reserve Program (TexSTAR) and Local Government Investment Cooperative (LOGIC), both local government investment pools created under the Interlocal Cooperation Act, Chapter 791, Texas Government Code, and the Public Funds Investment Act, Chapter 2256, Texas Government Code. TexSTAR and LOGIC are administered by First Southwest Asset Management, Inc. and JPMorgan Chase Asset Management, Inc.

Investments for the Authority meet all the specified criteria in GASBSC Section 150: *Investments* to qualify to elect to measure their investments at amortized cost. Accordingly, the value of the Authority's position in the pool is equal to the value of the pooled shares.

Receivables and Payables

Tax Increment receivables – Amounts due from the Authority are recorded in the general fund for annual tax increments not collected before year-end. As of June 30, 2026, the Authority believes all tax increment receivables are fully collectible, and, accordingly, no allowance has been created.

Grant receivables – Amounts due from other entities under grants not collected before year-end. As of June 30, 2026, the Authority believes all grant receivables are fully collectible, and accordingly, no allowance has been created.

Other receivables – Amounts due from the from other entities under memos of understanding are recorded in the general fund for reimbursement of shared services not collected before year-end. As of June 30, 2026, the Authority believes all other receivables are fully collectible, and, accordingly, no allowance has been created.

Lease receivables - The Authority's lease receivables are measured at the present value of lease payments expected to be received during the lease term. Under the lease agreement, the Authority may receive variable lease payments that are dependent upon the lessee's revenue. The variable payments are recorded as an inflow of resources in the period the payment is received.

Unearned revenue – Unearned revenue recorded on the accompanying financial statements represents amounts received before eligibility requirements are met.

Interfund Activities and Transactions

During the course of operations, the Authority has activity between funds for various purposes. Any residual balances outstanding at year end are reported as due from/to other funds which are eliminated in the statement of net position.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Deferred Outflows, Liabilities, Deferred Inflows, and Net Position or Fund Balance (Continued)

Interfund Activities and Transactions (Continued)

Transfers are used to move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them and to move unrestricted revenue collected in the general fund to finance various programs accounted for in other funds in accordance with budgetary authorizations and actions of the Board of Directors. Transfers between the funds are eliminated in the statement of activities.

Restricted Assets

Certain amounts of cash, cash equivalents and investments are restricted by revenue bond ordinances or enabling legislation. Restricted asset accounts have been established to account for the sources and uses of these limited use assets as follows:

Bond debt service accounts – Includes certain proceeds from issuance of tax increment bonds set aside for the repayment of bonds obligations as set forth in the bond indentures.

Affordable housing accounts – Includes certain proceeds from both annual tax increments and issuance of tax increment bonds restricted for affordable housing.

Capital project accounts – Includes certain proceeds from issuance of tax increment bonds set aside for capital projects.

Property Held for Resale

Property held for resale consists of properties that the Authority has acquired for affordable housing and other properties held for future mixed-use development and are not used in the Authority's operations. The Authority intends to sell, lease or otherwise convey the properties to third parties for future development. Any properties sold, leased or otherwise conveyed by the Authority, related to affordable housing, will have a deed restriction to ensure the properties will be used only for affordable housing.

Capital Assets

Capital assets, which include land, buildings and improvements, works of art and equipment, are reported in the applicable governmental activities column in the government-wide financial statements. Capital assets are defined by the Authority as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Donated assets are recorded at their acquisition value at the date of donation in accordance with GASB 72, *Fair Value Measurement and Application*.

Land and construction in progress are not depreciated. The other capital assets of the Authority are depreciated using the straight-line method over the following estimated useful lives:

Capital asset classes	Lives (in years)
Works of art	3 - 25
Buildings and improvements	20 - 50
Equipment	3 - 5

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Deferred Outflows, Liabilities, Deferred Inflows, and Net Position or Fund Balance (Continued)

Public-Private Partnership Arrangements

Public-Private Partnership Arrangements (PPP), where the government retains control of the asset or service, are accounted for as unearned revenue initially, with revenue recognized over the term of the agreement as obligations are fulfilled. Assets and related liabilities are recorded in the government-wide financial statements.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Authority had no deferred outflows as of June 30, 2026.

In addition to liabilities, the statement of net position and the governmental funds balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority has three (3) items that qualify for reporting as deferred inflows of resources. The deferred inflows related to tax increment revenue is only reported on the governmental funds balance sheet and represents receivables that were not collected within the available period. These amounts are deferred and recognized as an inflow of resources in the period the amounts become available. As of June 30, 2026, the Authority does not have any deferred inflows related to tax increment revenue. The deferred inflows related to leases are associated with amounts owed to the Authority, as lessor, by entities leasing the Authority's capital assets and are reported on the governmental funds balance sheet and on the statement of net position. The deferred inflows related to operating grants and contributions is only reported in the governmental funds balance sheet and represents receivables that were not collected within the available period. These amounts are deferred and recognized as an inflow of resources in the period the amounts become available.

Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount. In accordance with GASBC Section 130: *Interest Costs – Imputation*, bond issuance costs are expensed in the period incurred except for prepaid insurance costs.

In the governmental fund financial statements, bond premiums and discounts, as well as bond issuance costs, are expensed during the current period. The debt proceeds are reported as other financing sources. Premiums received on debt issuances and discounts on debt issuances as well as payment to refunded bond escrow agent, when applicable, are reported as other financing uses. The payments of principal and interest are reported as expenditures.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Deferred Outflows, Liabilities, Deferred Inflows, and Net Position or Fund Balance (Continued)

Categories and Classification of Net Position and Fund Balance

Net position flow assumption – Sometimes the Authority will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. The Authority considers restricted – net position to have been depleted before unrestricted – net position is applied.

Fund balance flow assumptions – Sometimes the Authority will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. The Authority considers restricted fund balance to have been depleted before using any of the components of unrestricted fund balance as required under GASB No. 54. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Fund balance policies – Fund balance of the governmental fund is reported in various classifications based on the nature of any limitations requiring the use of resources for specific purposes. The Authority itself can establish limitations on the use of resources through either a commitment (committed fund balance) or an assignment (assigned fund balance).

The provisions of GASBC Section 1800, *Classification and Terminology*, specifies the following classifications:

Nonspendable fund balance – Nonspendable fund balance are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted fund balance – Restricted fund balance is restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – The committed fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the Authority's Board of Directors. The Authority's Board of Directors is the highest level of decision-making authority for the Authority that can, by adoption of a motion prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the motion remains in place until a similar action is taken (the adoption of another motion) to remove or revise the limitation. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Deferred Outflows, Liabilities, Deferred Inflows, and Net Position or Fund Balance (Continued)

Categories and Classification of Net Position and Fund Balance (Continued)

Assigned fund balance— Amounts that are constrained by the Authority's intent to be used for a specific purpose but do not meet the criteria to be classified as committed. This intent can be expressed by the Board of Directors through the budgetary process. Unlike commitments, assignments generally only exist temporarily. In other words, an additional action does not normally have to be taken for the removal of an assignment. Conversely, as discussed above, an additional action is essential to either remove or revise a commitment.

Unassigned fund balance – Unassigned fund balance is the residual classification for the General Fund.

Revenues and Expenditures/Expenses

Program revenues – Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Tax increments revenue, interest earnings, and other revenue are reported as general revenues rather than as program revenues.

Tax increments – Tax increments represents a certain percentage of tax collections arising from their taxation of the increase, if any, in the appraised value of real property located in the Midtown TIRZ since January 1, 1995 for the original area and January 1, 1999 for the annexed area. The City and Houston Community College System (HCCS) have agreed to deposit to the established Tax Increment Fund no later than May 1st of each year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates. Estimates that are particularly susceptible to significant change in the near term are related to the useful lives and recoverability of capital assets, leases and the liability related to the obligation to convey an asset in the future.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, [DATE], and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Issued and Implemented Accounting Pronouncements

GASB Statement No. 103, Financial Reporting Model Improvements. The objective of this Statement is to improve key components of the financial reporting blueprint to enhance its effectiveness in providing essential information and to address certain application issues. The Statement requires changes to management's discussion and analysis to make it easier to read and understand and to focus on explaining the reasons why balances and results of operation have changed. The Statement also provides more explicit definitions of operating and nonoperating revenues and expenses and changes the presentation of nonoperating revenues and expenses in the proprietary funds statement of revenues, expenses, and changes in fund net position. The new standards also (1) combine extraordinary items and special items into a single category, unusual or infrequent items, and clarify how they should be reported; (2) limits the reporting of major component unit information to the face of the government-wide financial statements, if it does not reduce their readability, or in combining financial statements following the fund financial statements; and (3) requires that budgetary comparisons be presented as required supplementary information, eliminating the option to present them as basic financial statements. There were no significant impacts of implementing this statement.

GASB Statement No. 104, Disclosure of Certain Capital Assets. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. In addition to existing requirements regarding the level of detail with which notes to financial statements should disclose intangible right-to-use lease and subscription-based information technology arrangements (SBITA) assets, the Statement requires that (1) intangible right-to-use assets recognized by government operators in a public-public partnership should be disclosed by major class of underlying asset; (2) other types of intangible assets should be disclosed by major class; and (3) right-to-use assets should be disclosed separately from owned assets of the same type. The Statement also establishes that capital assets held for sale are those a government has decided to sell and whose sale within a year of the financial statement date is probable. Capital assets held for sale should be disclosed together with other capital assets of the same class. Governments also should disclose in notes the historical cost and accumulated depreciation (or amortization) of capital assets held for sale, as well as the carrying amount of debt for which they are pledged as collateral, by major class of asset for governmental and business-type activities. There were no significant impacts of implementing this Statement.

Midtown Redevelopment Authority Notes to Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Issued and Implemented Accounting Pronouncements (Continued)

The Governmental Accounting Standards Board has issued a statement that will become effective in future years. This statement is as follows:

GASB Statement No. 105, Subsequent Events. The objective of this Statement is to enhance the consistency with which the standards for reporting subsequent events are applied, thereby better meeting the information needs of financial statement users. The Statement defines subsequent events as transactions or other events that occur after the date of the financial statements but before the date the financial statements are available to be issued (that is, when the financial statements are complete in a form and format that complies with generally accepted accounting principles and approvals necessary for issuance have been obtained), rather than the date the financial statements are issued. The date through which subsequent events have been evaluated should be disclosed. A recognized subsequent event provides evidence of conditions that existed at the financial statement date that inform accounting estimates reported as of the financial statement date and should be reflected in those estimates. A nonrecognized subsequent event results in a significant effect (favorable or unfavorable) that is recognized or disclosed in the basic financial statements in the reporting period in which the event occurs and is one of the following: a debt-related transaction; government combination or a disposal of government operations; a change to the legally separate entities that compose the financial reporting entity; or a transaction or other event that is of such a nature that disclosure is essential to a user's analysis for making decisions or assessing accountability. Governments will be required to disclose a description of the nonrecognized event and its effect and an estimate of the amount of the effect (or the reason why an estimate cannot be made).

The Authority is evaluating the requirements of the above statement and the impact on reporting.

Note 2: DETAILED NOTES ON ALL FUNDS

Deposits and Investments

As of June 30, 2026, the carrying amount of the Authority's deposits totaled \$21,410,360 and the bank balances totaled \$21,928,746. The Authority's deposits in excess of federal deposit insurance totaling \$4,490,586 were adequately collateralized by securities held by the pledging financial institution, while deposits totaling \$10,238,519 were uncollateralized. Uncollateralized deposits were transferred to investment accounts in July 2026. Custodial credit risk for deposits with financial institutions is the risk that in the event of the failure of a depository financial institution the Authority may not be able to recover deposits. The Authority's investment policy requires pledging of collateral for all bank balances in excess of Federal Deposit Insurance Corporation (FDIC) limits.

The Board of Directors has adopted and continues to amend and/or ratify annually a written investment policy regarding the investments of its funds as defined in the Public Funds Investment Act of 1997 (Chapter 2256, Texas Government Code). Such investments include (1) obligations of the United States or its agencies; (2) direct obligations of the State of Texas or its agencies; (3) other obligations, the principal and interest of which are unconditionally guaranteed or insured by or backed by the full faith and credit of the State of Texas or the United States or their respective agencies; (4) certificates of deposit; (5) local government investment pools; and (6) various other items that comply with the Public Funds Investment Act.

Midtown Redevelopment Authority Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits and Investments (Continued)

Investments that are obligations of or guaranteed by the U.S. Government do not require disclosure of credit quality. The Authority's investment in the TexSTAR and LOGIC funds are rated AAAM by Standard and Poor's and maintain a weighted average maturity of 60 days or less, with a maximum weighted average maturity of 13 months for any individual security. The Authority considers the investments in TexSTAR and LOGIC to have maturities of less than one year due to the fact the share position can unusually be redeemed each day at the discretion of the Authority, unless there has been a significant change in value. As of June 30, 2026, the Authority held deposits of \$31,726,402 in LOGIC and \$7,189,432 in TexSTAR.

TexSTAR and LOGIC are specifically tailored to meet Texas state and local government investment objectives of preservation of principal, daily liquidity and competitive yield. The program seeks to maintain a constant dollar objective and fulfills all requirements of the Texas Public Funds Investment Act for local government investment pools.

Under GASBC Section 150: *Investments*, if a participant has an investment in a qualifying external investment pool that measures for financial reporting purposes all of its investments at amortized cost it should disclose the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum transactions amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates) in notes to the financial statements. As of June 30, 2026, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit the Authority's access to 100 percent of their account value in either external investment pool.

Credit Risk - Credit risk is the possibility that the issuer of a security will fail to make timely payments of interest or principal. To minimize credit risk, TexSTAR and LOGIC investment policies restrict investments of the portfolio into designated investments only. Market risk is the potential for a decline in market value generally due to, but not limited exclusively to, rising interest rates.

Interest Rate Risk - Interest rate risk is the risk that changes in the interest rates will adversely affect the fair value of an investment. In accordance with the Authority's investment policy, the Authority limits its exposure to interest rate risk by structuring its portfolio to provide safety and liquidity of funds while maximizing yields for operating funds not immediately needed. The investment policy limits the maximum maturity of any investment to three (3) years.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of investment in a single issuer. The Authority's investment policy does not limit the amount of funds that may be invested in any authorized investment.

Midtown Redevelopment Authority Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Deposits and Investments (Continued)

Certain amounts of deposits and investments are restricted by revenue bond ordinances or enabling legislation. A summary of these restricted amounts at June 30, 2026 are as follows:

	Cash and Cash Equivalents	Investments	Total
Trustee funds			
Debt service	\$ 6,470,970	\$ -	\$ 6,470,970
Debt service reserve fund	-	7,178,732	7,178,732
Project fund	-	5,270	5,270
Total trustee funds	6,470,970	7,184,002	13,654,972
Enabling legislation			
Affordable housing	735,588	12,887,069	13,622,657
Total restricted assets	\$ 7,206,558	\$ 20,071,071	\$ 27,277,629

Capital Assets

The following is a summary of changes in capital assets during the year ended June 30, 2026:

<i>For the year ended June 30, 2026</i>	Beginning Balance	Increases	Reclassifications	Decreases	Ending Balance
Capital assets, not being depreciated					
Land and improvements	\$ 13,948,063	\$ -	\$ -	\$ -	\$ 13,948,063
Construction in process	82,746	-	(82,746)	-	-
Capital assets, being depreciated					
Works of art	1,137,027	-	-	-	1,137,027
Buildings and improvements, including conveyed asset	141,767,192	250,252	82,746	(17,998)	142,082,192
Equipment	131,085	-	-	-	131,085
Total capital assets	157,066,113	250,252	-	(17,998)	157,298,367
Less: accumulated depreciation	(22,151,277)	(3,407,525)	-	4,500	(25,554,302)
Governmental activities - capital assets, net	\$ 134,914,836	\$ (3,157,273)	\$ -	\$ (13,498)	\$ 131,744,065

All property and equipment purchased by or donated to the Authority shall be the property of the Authority until the Zone is terminated. If the infrastructure is integrated in and used as a part of the City's infrastructure, it may be conveyed to the City.

Midtown Redevelopment Authority Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Long-Term Debt and Liabilities

Development Agreement

During fiscal year 2024, the Authority was conveyed a garage from a developer which they are required to return to the developer on December 31, 2043. See Note 8 for further details regarding this long-term liability.

Loans Payable

In September 2013, the Authority refinanced a \$1,843,593 loan with a bank which was originally used to purchase the Houston Museum of African American Culture land and building. This loan was refinanced again in November 2020. The refinanced loan bore interest at 4.0%, and required monthly principal and interest payments totaling \$10,545. The loan was secured by 4807 Caroline Street property. The loan had a due on demand clause.

A summary of changes in the Authority's loans payable follows:

Balance at July 1, 2025	\$ 308,968
Additions	-
Retirements	(308,968)
Balance at June 30, 2026	\$ -
Current portion, long-term debt	\$ -

Tax Increment Contract Revenue Bonds

In January 2017, the Authority issued Tax Increment Contract Revenue Refunding Bonds Series 2017 (the 2017 Bonds) in the aggregate principal amount of \$39,310,000. The refunding was undertaken to obtain new money and partially refund the Tax Increment Contract Revenue Bonds Series 2011 (Series 2011). The Authority achieved a cash flow savings and an economic gain of \$42,201 as a result of the refunding.

Midtown Redevelopment Authority Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Long-Term Debt and Liabilities (Continued)

Tax Increment Contract Revenue Bonds (Continued)

The 2017 Bonds mature serially January 1, in each year 2018 through 2038. The 2017 Bonds are callable in whole or in part any date beginning January 1, 2034 at par. The 2017 Bonds bear interest between 3.0% and 5.0% annually and have semi-annual interest payments due on January 1 and July 1 as follows:

Fiscal Year	Principal	Interest	Total
2027	\$ 430,000	\$ 1,597,875	\$ 2,027,875
2028	450,000	1,576,375	2,026,375
2029	470,000	1,553,875	2,023,875
2030	490,000	1,535,075	2,025,075
2031	510,000	1,515,475	2,025,475
2032-2036	17,735,000	6,550,700	24,285,700
2037-2038	12,540,000	948,250	13,488,250
Total	\$ 32,625,000	\$ 15,277,625	\$ 47,902,625

In March 2020, the Authority issued Tax Increment Contract Revenue Refunding Bonds Series 2020 (the 2020 Bonds) in the aggregate principal amount of \$11,085,000. The refunding was undertaken to partially refund the Tax Increment Contract Revenue Bonds Series 2011 (Series 2011). The Authority achieved a cash flow savings and an economic gain of \$2,245,644 as a result of the refunding.

The 2020 Bonds mature serially January 1, in each year 2022 through 2033. The 2020 Bonds are callable in whole or in part any date beginning January 1, 2030 at par.

The 2020 Bonds bear interest between 3.0% and 5.0% annually and have semi-annual interest payments due on January 1 and July 1 as follows:

Fiscal Year	Principal	Interest	Total
2027	\$ 790,000	\$ 280,050	\$ 1,070,050
2028	830,000	240,550	1,070,550
2029	870,000	199,050	1,069,050
2030	915,000	155,550	1,070,550
2031	965,000	109,800	1,074,800
2032-2033	2,040,000	102,400	2,142,400
Total	\$ 6,410,000	\$ 1,087,400	\$ 7,497,400

In October 2022, the Authority issued Tax Increment Contract Revenue Refunding Bonds Series 2022 (the 2022 Bonds) in the aggregate principal amount of \$22,510,000. The refunding was undertaken to refund the Tax Increment Contract Revenue Bonds Series 2013 (Series 2013). The Authority achieved a cash flow savings and an economic gain of \$2,169,734 as a result of the refunding.

Midtown Redevelopment Authority Notes to Financial Statements

Note 2: DETAILED NOTES ON ALL FUNDS (Continued)

Long-Term Debt and Liabilities (Continued)

Tax Increment Contract Revenue Bonds (Continued)

The 2022 Bonds mature January 1, in each year 2023 through 2033. The 2022 Bonds are callable in whole or in part any date beginning October 5, 2032 at par.

The 2020 Bonds bear interest of 2.98% annually and have semi-annual interest payments due on January 1 and July 1 as follows:

Fiscal Year	Principal	Interest	Total
2027	\$ 2,555,000	\$ 592,041	\$ 3,147,041
2028	2,635,000	514,845	3,149,845
2029	2,715,000	436,423	3,151,423
2030	2,795,000	353,200	3,148,200
2031	2,880,000	268,753	3,148,753
2032-2033	6,015,000	274,293	6,289,293
Total	\$ 19,595,000	\$ 2,439,555	\$ 22,034,555

A summary of changes in tax increment contract revenue bonds follows:

Balance at July 1, 2025	\$ 63,135,000
Additions	-
Retirements	(4,505,000)
Balance at June 30, 2026	\$ 58,630,000
Current portion, long-term debt	\$ 3,775,000

Tax Increment Revenue Bonds at June 30, 2026 consist of the following:

Date Series Issued	Outstanding Balance
2017	\$ 32,625,000
2020	6,410,000
2022	19,595,000
Total principal payable	58,630,000
Unamortized premium and discount, net	3,487,082
Total bonds payable	\$ 62,117,082

The City of Houston limits the amount of debt that the Authority may incur. The current debt limitation that the City has approved for the Authority is \$98,000,000 for the issuance of bonds and \$6,000,000 for the issuance of notes, which are secured by tax increments paid by the City to the Authority pursuant to the Tri-Party Agreement.

Midtown Redevelopment Authority Notes to Financial Statements

Note 3: FUND BALANCES – GOVERNMENTAL FUNDS

As of June 30, 2026, fund balances of the governmental funds are classified as follows:

	General Fund	Infrastructure and Project Fund	Capital Projects Fund	Affordable Housing Fund	Debt Service Fund	Total
Nonspendable						
Property held for resale	\$ -	\$ -	\$ -	\$ 23,816,508	\$ -	\$ 23,816,508
Leases	50,634	-	-	(83,758)	-	(33,124)
Restricted for

Parks	-	217,403	-	-	-	217,403
Developer and grant agreements	-	274,525	-	-	-	274,525
Assigned to						
FY 2027 CIP plan and budget	7,483,173	15,195,661	-	-	-	22,678,834
Total fund balances	\$ 7,710,021	\$ 17,793,664	\$ 5,270	\$ 39,242,838	\$ 13,123,322	\$ 77,875,115

Note 4: TAX INCREMENTS

The City, Houston Independent School District (HISD) and Houston Community College System (HCCS) (each a Participant) has agreed to deposit to the Tax Increment Fund established for the Midtown TIRZ (the Tax Increment Fund) a certain percentage of tax collections arising from their taxation of the increase, if any, in the appraised value of real property located in the Midtown TIRZ since January 1, 1995 for the original area and January 1, 1999 for the annexed area (the Tax Increments).

Each Participant is required to collect taxes on real property located within the Midtown TIRZ in the same manner as other taxes are collected by the Participant. The Participant is then required to pay into the Tax Increment Fund the Tax Increments, as agreed upon in accordance with such Participant's agreement with the City and the Midtown TIRZ (collectively, the Participation Agreements) by no later than the 90th day after the delinquency date for the Participant's property taxes. Thus, Tax Increments are due to be deposited in the Tax Increment Fund on May 1. The City has agreed to pay 100% of their Tax Increments to the Increment Fund. The City retains an administrative fee from the tax increments deposited in the Tax Increment Fund.

Midtown Redevelopment Authority Notes to Financial Statements

Note 4: TAX INCREMENTS (Continued)

HISD has agreed to pay collected Tax Increment arising from the Original Zone based on its then current tax rate and from the annexed areas based on a tax rate of \$0.96 per \$100 of value. The First Amendment of the interlocal agreement between the City, HISD and the Midtown TIRZ amends HISD participation and provides for provision of tax increment funds for the payment of education facilities project costs due to the annexation of additional area approved by the City of Houston Ordinance No. 1999-849 (annexed area). For the original area the HISD tax increment participation is the amount of taxes collected by HISD each year by levying a tax on property in the original area at the then current tax rate per \$100 valuation of the Captured Appraised Value. One third of the Tax Increment is attributable to affordable housing. Of the remaining two-thirds of the tax increment participation attributable to the original area: (a) beginning in the tax year commencing January 1, 2000, up to \$1,200,000 of taxes collected by HISD by levying a tax at a tax rate of \$0.64 per \$100 valuation on the Captured Appraised Value shall be for the payment of educational facilities project costs, (b) the amount of taxes collected by HISD by levying a tax at a tax rate of \$0.64 per \$100 valuation on the Captured Appraised Value in excess of \$1,200,000 shall be applied to the payment of non-educational facilities project costs, including administrative costs, and school support expenses, and (c) the remaining portion of the HISD tax increment participation attributable to the original area shall be for the payment of educational facilities project costs. HISD tax increment participation in the annexed area is the amount of taxes collected by HISD each year by levying at a tax rate of \$0.96 cents per \$100 of valuation on the Captured Appraised Value. One third of the Tax Increment is attributable for affordable housing, one-third for educational facilities project and one-third for non-educational facilities projects costs, including administrative costs and school support expenses. Under the provisions of the HISD interlocal agreement, taxes collected by HISD in any year on actual Captured Appraised Value that exceeds the estimate of Captured Appraised Value for that year shown in the Project Plan approved before September 1, 1999, shall be retained by HISD. HISD's participation ended with the collection of the Tax Year 2024 payment.

Beginning with tax year 2008, HCCS began to contribute 100% of the Tax Increments attributable to HCCS into the Tax Increment Fund. HCCS is not obligated to pay Tax Increments from any other source other than taxes collected on the Captured Appraised Value from the portion of taxes levied by HCCS for maintenance and operations. Initially, two-thirds of the HCCS Tax Increment, up to \$5,000,000, will be applied to project costs associated with streetscape improvements to the block faces that are contiguous to HCCS central campus. Thereafter, one-third of the HCCS Tax Increments will be applied to project costs in the general vicinity of HCCS central campus, one-third to any other eligible project costs, and the remaining one-third to affordable housing.

The TIF Act under which the Midtown TIRZ presently operates requires that one-third of the Tax Increments be dedicated to providing affordable housing during the term of the Midtown TIRZ. The Authority agreed to this covenant in the Bond Resolution and Tri-Party Agreement and the Authority will continually comply with the requirements in the TIF Act, if any, relating to the provision of affordable housing during the term of the Midtown TIRZ.

Midtown Redevelopment Authority Notes to Financial Statements

Note 4: TAX INCREMENTS (Continued)

The Tri-Party Agreement requires that any portion of the affordable housing component of Tax Increment, including interest, or bond proceeds derived from such increments, paid to the Authority that remains unexpended or uncommitted at the end of twelve months after being received by the Authority will, upon request, be paid to the City for their affordable housing program.

The Authority's tax increment revenues, net of transfers, for the year ended June 30, 2026, as reflected in the Statement of Activities was received from the following Participants:

	Gross Increment	Transfers	Net Increment
City of Houston	\$ 12,727,488	\$ (636,374)	\$ 12,091,114
Houston Community College System	2,129,236	(25,000)	2,104,236
Total tax increments	\$ 14,856,724	\$ (661,374)	\$ 14,195,350

The Authority's tax increment revenues, net of transfers, for the year ended June 30, 2026, as reflected in the governmental funds, was received from the following Participants:

	Gross Increment	Transfers	Net Increment
City of Houston (Tax Year 2025)	\$ 12,727,488	\$ (636,374)	\$ 12,091,114
Houston Community College System (Tax Year 2025)	2,129,236	(25,000)	2,104,236
Houston Community College System (Tax Year 2024)	2,028,697	(25,000)	2,003,697
Total tax increments	\$ 16,885,421	\$ (686,374)	\$ 16,199,047

Midtown Redevelopment Authority

Notes to Financial Statements

Note 5: LEASE REVENUE

The Authority accounts for leases in accordance with GASBC Section L20, *Leases*. The Authority's leasing operations consist of the leasing of office space and apartment units at the Operations Center, a kiosk at Bagby Park, and office space at HTC Building.

Operations Center: Office Space

The Authority leases office space to two tenants under operating leases which are non-cancellable and terminate no later than March 2029. The leases call for monthly payments (fixed payments) that range from \$2,263 to \$2,420 with certain leases subject to annual escalations. Certain provisions of the leases provide for payment of a proportionate share of building's operating costs (variable non-lease component).

HTC Building: Office Space

The Authority leases office space to various tenants under operating leases which are non-cancellable and terminate no later than October 2029. The leases call for monthly payments (fixed payments) that range from \$1,617 to \$5,162 with certain leases subject to annual escalations.

Bagby Park: Kiosk

The Authority leases a kiosk to a local restaurant to sell food and beverage under a non-cancellable operating lease with a lease term through June 2033, as modified during fiscal year 2025. The lease calls for monthly minimum payments of \$3,500 subject to \$100 annual escalation and additional rent of 6% of gross sales in excess of break-even point (variable lease payment), as defined in the lease agreement.

For the year ended June 30, 2026, payments are as follows:

	Fixed Payment	Interest Revenue	Variable Payment	Total
Operations Center: Office Space	\$ 111,836	\$ 12,463	\$ 103,774	\$ 228,073
HTC Building: Office Space	190,647	27,372	7,450	225,469
Bagby Park: Kiosk	42,279	8,069	61,984	112,332
	\$ 344,762	\$ 47,904	\$ 173,208	\$ 565,874

Midtown Redevelopment Authority

Notes to Financial Statements

Note 5: LEASE REVENUE (Continued)

Lease receivable activity for the year ended June 30, 2026 was as follows:

	Beginning Balance	Increases	Cancellations	Reductions	Ending Balance
Operations Center: Office Space	\$ 2,557,858	\$ 826,932	\$ (3,149,357)	\$ (104,216)	\$ 131,217
HTC Building: Office Space	172,505	297,372	-	(106,544)	363,333
Bagby Park: Kiosk	371,583	-	-	(38,731)	332,852
	<u>\$ 3,101,946</u>	<u>\$ 1,124,304</u>	<u>\$ (3,149,357)</u>	<u>\$ (249,491)</u>	<u>\$ 827,402</u>

Future fixed payments, including interest, due to the Authority under non-cancellable agreements are as follows:

<i>For the years ending June 30,</i>	Principal	Interest	Total
2027	\$ 215,221	\$ 23,134	\$ 238,355
2028	231,919	15,135	247,054
2029	158,558	7,650	166,208
2030	65,316	4,284	69,600
2031	49,752	3,048	52,800
2032-2033	106,636	2,565	109,201
	<u>\$ 827,402</u>	<u>\$ 55,816</u>	<u>\$ 883,218</u>

The other leases of the Authority are short-term leases and, therefore, no lease receivable and deferred inflow of resources have been recognized from the apartment units at the Operations Center and certain office space at HTC building in accordance with GASB Statement No. 87. The Authority recognized lease revenue from short-term leases of \$178,214 for the year ended June 30, 2026.

Note 6: RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; personal injuries; and natural disasters.

The Authority purchases separate commercial insurance coverage for property damage. Coverage for general liability claims is a maximum of \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage for excess liability claims is a maximum of \$5,000,000 per occurrence and annual aggregate. Coverage for hired car and non-ownership automobile liability claims are \$1,000,000 per claim with no aggregate limit. Coverage for the directors and officers is \$1,000,000 per claim with no annual limit. There have been no significant reductions in insurance coverage and no settlements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 6: RISK MANAGEMENT (Continued)

The commercial insurance carried is a claims incurred policy for which the Authority is covered for claims originating against the Authority during the policy period. The amount of coverage is dependent on the date of the liability-imposing event. The Authority has maintained continuous coverage and does not believe it has any exposure to events which occurred prior to the year ended June 30, 2026.

Note 7: RELATED PARTIES

The Authority had an administrative contract with the Midtown Management District (the District) whereby the Authority provides administrative and management services to the District. The District and the Authority share the same Executive Director through January 2026, and the same interim Executive Directors from February 2026 through June 2026. The Authority provided services to the District amounting to approximately \$509,000 for the year ended June 30, 2026. At June 30, 2026, approximately \$22,000 was due to the Authority under this contract and is included in other receivables in the accompanying basic financial statements.

The Authority's Executive Director and Board Vice-Chairman are also members of the Midtown Improvement and Development Corporation (MIDCorp) Board of Directors. The Authority incurred approximately \$413,000 for the year ended June 30, 2026 related to the cost of MIDCorp's personnel and services provided to MIDCorp. These costs are included in T-0207 Operating of Zone and Project Facilities capital project. In addition, as of June 30, 2026, approximately \$44,000 was due from MIDCorp related to reimbursable expenses.

Note 8: COMMITMENTS AND CONTINGENCIES

Houston Museum of African American Culture (HMAAC)

During fiscal year 2011, the Authority entered into an agreement with HMAAC (or the Museum) to purchase the land and building of the Museum and then lease back the property for an original term of three years. The agreement was amended in October 2012 and again in September 2013. The lease term has been extended through November 2020 and, beginning July 1, 2014, HMAAC is required to make monthly rent payments of \$13,700. Under the terms of the agreement, HMAAC has the option to purchase the property during the lease term at the amount equal to the outstanding principal and any accrued but unpaid interest on the Authority's loan for the property. HMAAC continues to occupy the property pursuant to the terms of the expired agreement; however, no rental payments have been received by the Authority.

Construction Contracts and Consultant Agreements

Engineering and construction contracts relating to construction-in-progress and other capital projects aggregated approximately \$3,414,000. These contracts will be paid in future period as work is performed. Payment will be made with operating reserves, and Federal grants to be received. In addition, the Authority enters into agreements with various consultants to provide professional services each year.

Midtown Redevelopment Authority Notes to Financial Statements

Note 8: COMMITMENTS AND CONTINGENCIES (Continued)

Affordable Housing Operations Campus

The Affordable Housing Operations Campus (Operations Center) which consists of a 5-story building (Operations Campus), a 20-unit multi-family affordable housing development (Housing Development) and a parking garage was completed as of June 30, 2021. The project costs were incurred by the Authority through direct payment to vendors. The Authority was responsible for 80% of the project costs. Reimbursement for the remaining 20% of the project costs was obtained from the sale of the parking garage to Old Spanish Trail/Alameda Corridors Redevelopment Authority (OSTAC) for which a \$3 million down payment was received during 2021 and another \$3 million was received during fiscal year 2023 when the sale-lease back agreement was finalized and executed in October 2022. The lease calls for annual payments of \$1 with an initial term of 30 years commencing on October 28, 2022 and expiring on June 30, 2052.

Effective April 2021, the Authority, as owner, and CCPPI, as operator, entered into a management agreement with NAI Partners to manage the Operations Campus. The Authority will be charged a management fee equal to the greater of 3% of gross revenue, as defined in the agreement, or \$3,500 per month for the term of this agreement. In addition, the Authority is obligated to reimburse NAI Partners certain expenses as outlined in the initial management services proposal or the approved annual budget thereafter. This agreement expired on March 31, 2023 and will continue to be automatically renewed on an annual basis thereafter unless terminated by the Authority or NAI Partners.

Effective February 2021, the Authority entered into a management agreement with StressFree Property Solutions to manage and lease the Housing Development. The Authority will be charged a management fee of \$1,200 per month for the term of this agreement. In addition, the Authority will be charged a leasing fee for new tenants that will range from 50% to 75% of the base rent and a renewal fee for renewed tenants of \$250. This agreement expired on February 28, 2022 and will continue to be automatically renewed on a monthly basis thereafter unless terminated by the Authority or StressFree Property Solutions.

Pearl Midtown ROW and Pearl Rosemont ROW Development Agreements

In 2017, the Authority entered into a Development Agreement with Pearl Residences at Midtown Owner, LLC. (Pearl Residences) for reimbursement of up to \$3.8 million of eligible project costs related to the Pearl Midtown ROW project. This agreement was executed contemporaneously with a development agreement entered into by the Authority with Helena – Dew Holdings, LLC (Helena - Dew) for reimbursement of up to \$1.4 million of eligible project costs related to the Pearl Rosemont ROW project. Reimbursement to each developer, Pearl Residences and Helena – Dew, will occur over 9 years from available tax increments, as defined in the agreement. Reimbursement commences after completion of the project and execution of a maintenance agreement. As the Pearl Midtown ROW project was completed in October 2019 and the maintenance agreement was executed in February 2020, the reimbursement related to the Pearl Midtown ROW project commenced in fiscal year 2021 with a payment of \$466,694 followed by a second payment of \$529,491 in fiscal year 2022, and a third payment of \$539,394 in fiscal year 2023. During fiscal year 2026, the Authority worked with the developer to cure an event of default by the developer and reached an agreement for a final payment of \$816,171, which is included in accounts payable in the accompanying basic financial statements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 8: COMMITMENTS AND CONTINGENCIES (Continued)

“The Ion District” Development Agreement

In 2022, the Authority entered into a Development Agreement with Rice University, acting by and through Rice Management Company (Rice) for reimbursement of up to \$65 million of eligible project costs related to an innovation hub (the Ion), and other public infrastructure and improvements (phase I and II), including a parking garage in connection with “The Ion District” development. The parking garage, once completed, will be conveyed to the Authority and operated and maintained by Rice. Reimbursement commences after completion of the Ion, completion of each phase of the other infrastructure and improvements and completion of the parking garage and conveyance to the Authority. Reimbursement of Phase II of the other infrastructure and improvements can commence after completion of each sub-phase of Phase II, as defined in the development agreement. The Authority has the right to terminate this agreement if Rice does not complete the phase II of this project on or before December 31, 2035. As the Ion was completed in April 2021 and the maintenance agreement was executed in September 2022, the reimbursement related to the Ion project commenced in fiscal year 2023 with a payment of \$392,714, followed by a payment of \$331,582 in fiscal year 2024, a payment of \$345,796 in fiscal year 2025, and a payment of \$274,525 in fiscal year 2026. Subsequent annual reimbursement from available tax increment are due by November 1 of each year through December 31, 2044. The parking garage was completed during fiscal year 2024. Tax increment reimbursements related to the completion of the garage commenced in calendar year 2025 (fiscal year 2026).

In accordance with the “The Ion District” development agreement, ownership of the parking garage was conveyed to the Authority on March 8, 2024 upon completion of construction. Immediately following the conveyance of the parking garage, the Authority entered into a Parking Management Agreement (the management agreement) that qualifies as a Public-Private Partnership Arrangement under GASB Statement No. 94, *Public-Private and Public Partnerships and Availability Payment Arrangements*. The conveyed parking garage (conveyed asset) was recognized as part of the Authority’s capital assets at its fair value of \$56,900,000 with a corresponding liability of \$34,329,667 measured at the estimated carrying value of the conveyed asset as of the termination date of the management agreement. The difference between the conveyed asset and the corresponding liability of \$22,570,333 was recorded as a capital grant in fiscal year 2024. Pursuant to the terms of the management agreement, Rice will operate and maintain the garage, collect all parking fees and manage the day-to-day operations through December 31, 2043. As part of the management agreement, Rice provided upfront payments in 2024 totaling \$3,491,359 in exchange for the right to operate the parking during the agreement term. These upfront payments represent the total consideration for the management rights and has been recognized as unearned revenue in the accompanying financial statements. The unearned revenue is being amortized on a straight-line basis over the term of the agreement. For the year ended June 30, 2026, the Authority recognized revenue of \$176,035 related to this agreement which has been recorded as other revenue in the accompanying financial statements.

Grant Agreement with Bloomberg Family Foundation, Inc.

In 2024, the Authority was awarded a \$1,000,000 grant from the Bloomberg Family Foundation, Inc. (Bloomberg) to support temporary public art projects in the City. In fiscal year 2025, the Authority entered into an assignment agreement with the District under which the Authority transferred and assigned all of the Authority’s responsibilities under the grant agreement to the District. In addition, the assignment agreement also transferred all funds received under the agreement by the Authority to the District to be used in accordance with the program budget agreed upon with Bloomberg. As of June 30, 2026, the Authority has received \$1,000,000 under this grant, of which \$10,000 was received during fiscal year 2026 and is included in operating grants revenue in the accompanying basic financial statements.

Midtown Redevelopment Authority Notes to Financial Statements

Note 8: COMMITMENTS AND CONTINGENCIES (Continued)

Grant Agreements with Houston Endowment

In fiscal year 2026, the Authority was awarded a \$100,000 grant from Houston Endowment, Inc. to support public art projects in the City. Also in fiscal year 2026, the Authority transferred and assigned all of the Authority's responsibilities under the grant agreement to the District under an assignment agreement. In addition, the assignment agreement also transferred all funds received under the agreement by the Authority to the District to be used in accordance with the program budget agreed upon with Houston Endowment, Inc. During the year ended June 30, 2026, the entirety of the funds were received and are included in operating grants revenue in the accompanying basic financial statements.

In fiscal year 2026, the Authority was also awarded a \$400,000 grant from Houston Endowment, Inc. to support public art projects in the City. From this grant, \$200,000 of funds is outstanding and included in grant receivables in the accompanying basic financial statements, and as a deferred inflow in the accompanying balance sheet – governmental funds, as the funds were not received within sixty days after year-end. The \$200,000 of funds outstanding are also expected to be assigned to the District, but an assignment agreement has not yet been executed. The remaining \$200,000 will be recognized in a future period subject to meeting certain eligibility requirements.

Administrative Agreement

The Authority has a memorandum of understanding with Fourth Ward Redevelopment Authority (Fourth Ward) whereby the Authority provides office space, certain equipment and certain staff services to Fourth Ward. The Authority invoices these entities on a quarterly basis for reimbursement of costs incurred under the agreements.

Midtown Improvement and Development Corporation

The Authority and MIDCorp entered into an operating agreement effective July 1, 2015. Under this agreement, MIDCorp will operate, manage, maintain and preserve the Park Facilities pursuant to the terms of the agreement. The Park Facilities include Bagby Park, Midtown Park and the parking facility under Midtown Park. Revenue from these facilities is remitted to or retained by MIDCorp to support its operations. The term of the agreement is 40 years with automatic renewal and extension for two consecutive 20 year periods. Under the agreement, the Authority will pay an annual maintenance fee of \$250,000 per year for the first two years, then in each year thereafter, an amount not to exceed \$500,000 based on MIDCorp's annual operating budget. Certain credits are applied towards the annual maintenance fee based on excess of facilities revenues. In addition, the Authority will pay \$50,000 per year for 10 years to be applied to the Renewal and Replacement Fund. Effective December 31, 2025, the operating agreement between the Authority and MIDCorp was terminated.

Supplementary Information

DRAFT

Midtown Redevelopment Authority Budgetary Comparison Schedule – All Funds

For the year ended June 30, 2026

	Original and Final Budgeted Amounts *	Actual Amounts (Budgetary Basis)	Variance With Final Budget
Budgetary fund balance - beginning of year	\$ 35,485,368	\$ 80,118,992	\$ 44,633,624
Resources			
Incremental property tax revenue	34,097,862	16,885,421	(17,212,441)
Grant proceeds	-	310,000	310,000
Miscellaneous revenue (expense)	1,225,094	773,870	(451,224)
Other interest income	1,749,000	1,718,480	(30,520)
Total available resources	72,557,324	99,806,763	27,249,439
Expenses			
Maintenance and operations	4,478,737	4,359,420	(119,317)
Project costs and capital expenditures	7,360,453	7,267,283	(93,170)
Developer/project reimbursements	1,046,479	525,633	(520,846)
Special projects as determined by the COH	125,000	-	(125,000)
Debt service	9,578,796	7,734,401	(1,844,395)
Other interfund transfers:			
HISD educational facilities	6,283,468	25,000	(6,258,468)

DRAFT

**FISCAL YEAR
2027 BUDGET**

AGENDA ITEM	Fiscal Year 2027 Budget
REQUEST	Approve final draft of the FY27 Operation & CIP Budget in substantial form and release to the City of Houston for review and City Council approval.
ITEM HISTORY	The Executive Committee (Directors: Douglas, Lewis, Robinson, and Johnston) met on September 16, 2026 to review the MRA/TIRZ #2 Operation & CIP Budget for FY27. The Committee agreed to recommend approval to the full Board.
DESCRIPTION	Annual budget requires Board approval prior to submittal to City for City Council approval. Staff requests Board approval of the final draft of the FY27 Operation & CIP Budget in substantial form as recommended by the Executive Committee, with any further changes accepted by the full Board, and authorize release to the City of Houston for review and City Council approval.
CONTACTS	MRA: Steve Gibson, Rena Leddy, Marlon Marshall The Morton Accounting Services: Melissa Morton

	Acres:	915.56
	Administrator (Contact):	
	Contact Number:	(713) 526-7577

N A R R A T I V E	Zone Purpose:
	Tax Increment Reinvestment Zone Number Two, City of Houston, Texas was created by the City for the purposes of eliminating urban blight with revitalization providing public right-of-way improvements and enhancements such as: street resurfacing, utilities, street lighting, street art, street furniture, enhanced landscaping, irrigation, and decorative and wider sidewalks.
	FY2025/FY2026 Accomplishments:
	Street Overlay and Safe Sidewalks Projects Planning and design for additional street pavement and sidewalk improvement projects associated with its Street Overlay and Safe Sidewalk Programs. Work includes comprehensive mill and asphalt overlay with crosswalk and pavement marking improvements and repair and replacement of damaged and missing sidewalks and accessibility ramps. Corridors currently in design include Isabella, Truxillo, Jackson, Chenevert, Hadley, Cleburne, and Caroline Streets. The Authority has secured a \$1,562,000 FTA grant and \$179,000 Council District Service Funds (District D, CM Evans Shabazz) supporting mobility and pedestrian improvements along Cleburne Street and Caroline Street.
	Brazos Street Reconstruction Planning and development of concepts for public realm enhancements along Brazos Street from St. Joseph to Elgin. The project will incorporate environmentally friendly streetscape elements including lighting and tree canopy expansion similar to those on Bagby Street. Conceptual design of the project was updated to align with City's guiding mobility principles.
	Operations and Maintenance - As a direct consequence of an expanding list of projects, particularly park and public space projects, the Zone must provide for operation of the Zone's existing and planned facilities in the near term and in years to come beyond the duration of the Zone. To sustain operations and maintenance, the Authority recently made capital improvements to Midtown Park, Bagby Park, and Main Street.
	Affordable Housing Initiatives The Authority continues to advance its Affordable Housing Program, with a strong emphasis on strategic partnerships, and development agreements that expand access to quality housing for low- and moderate-income households. The Authority has partnered with City of Houston Housing and Community Development (HCD) Department for administration of its Affordable Housing Program in the Greater Third Ward community.
	Real Estate Development The Authority facilitated Developer Engagement Workshops to identify barriers and incentives for future development. Workshops included surveys with developers and the public and targeted discussion on public safety, vitality, and infrastructure strategies to understand stakeholder priorities. Outcomes of the workshops include recommendations for priority

Project: Operating of Zone & Project Facilities				City Council District		Key Map:		494		WBS.: T-0207	
				Location: C,D		Geo. Ref.:					
				Served: C,D		Neighborhood:		62			
Description: As a direct consequence of an expanding list of projects, the Zone must provide for operation of Zone's existing and planned facilities. Prior to FY27, operation and management of Zone's facilities, including Bagby Park, Midtown Park and the parking facilities constructed beneath Midtown Park, was administered by Midtown Improvement and Development Corporation (MIDCorp) d/b/a Midtown Parks Conservancy (MPC) through an agreement to operate, manage, maintain, and preserve certain park facilities. In FY27, operation and management funding previously transferred to Midtown Parks Conservancy per previous agreement is now Per Midtown's Project Plan, up to 5% of project costs may be used to adequately provide for operation of Zone facilities.		Justification:		Operating and Maintenance Costs: (\$ Thousands)

Project: Affordable Housing Program**				City Council District		Key Map:		493		WBS.:	T-0220			
				Location:		C,D		Geo. Ref.:						
				Served:		C,D		Neighborhood:					62	
Description:	Affordable Housing Program, with a strong emphasis on strategic partnerships and development agreements that expand access to quality housing for low- and moderate-income households. The Authority has partnered with City of Houston Housing and Community Development (HCD) Department for administration of its Affordable Housing Program in the Greater Third Ward community.				Operating and Maintenance Costs: (\$ Thousands)									
						2027	2028	2029	2030	2031	Total			
					Personnel	-	-	-	-	-	\$ -			
					Supplies	-	-	-	-	-	\$ -			
Justification:	Fulfillment of the obligation that one-third of the tax increment revenue be used to provide affordable housing within the city. Strategy to acquire vacant and blighted property to return the property to productive reuse and to preserve and protect existing communities.				Svcs. & Chgs.	-	-	-	-	-	\$ -

—

5 of 15 agreements returned a September packet (80 tracts). The other 10 carry their verified August position.

01

Construction is advancing

Seven tracts started, none stopped. Change Happens moved six out of site preparation.

02

Multiple family is the next block of units

WALIPP's 102 senior units, due March 2027, are the nearest-term delivery.

03

Sales wait on the affordability amendment

16 homes complete and awaiting sale; one closing recorded this month.

04

Two deadlines fall on 10 November 2026

Epic Homes and Herbert Stroman have both used their 120-day extension.

05

Ten agreements did not report

Nine are active, covering 131 tracts; figures carried from August.

homes at interior finishes — a first

Multiple family — the largest change this month

3 developments · 337 planned units ¹⁵²

WALIPP – Senior Homes

102 units

68% COMPLETE

- All buildings dried-in, windows in
- Drywall, paving and brick underway

NEXT MILESTONE

Stabilized 31 Mar 2027

Trinity East Village – Senior

90 units (per August report)

UNDER CONSTRUCTION

- Financing closed June 2026 (9% LIHTC)
- Field: earthwork at Saint Charles St.

NEXT MILESTONE

Completion est. Q3 2027

HBDI – Serenity Palms

145 units

PRE-CONSTRUCTION

- Design development; permits in 2027
- Field: vacant site, no activity

NEXT MILESTONE

Construction start TBD

Trinity East Village – Family (Phase II): financing changed to 4% tax credits with Private Activity Bonds · bond allocation 2027 · construction Q1 2028 – Q2 2029
