# ARTICLE IV PROCEDURES FOR INVESTMENT OF AUTHORITY MONIES

# Section 4.01. Qualified Broker/Dealers.

The Board hereby adopts the list of broker/dealers attached hereto as **Exhibit A**, as the qualified broker/dealers with whom the Authority may engage in investment transactions. In addition to annual review and adoption of such list each year pursuant to the adoption of this Policy, the Board may, by written resolution, revise, amend or supplement such list of qualified broker/dealers.

As authorized in the Investment Act, the Board hereby designates the Executive Director of the Authority and one other member of the Board as the "designated investment committee" (the "Designated Investment Committee"). The Designated Investment Committee shall, at its discretion, approve any successors or assigns of those certain broker/dealers listed in **Exhibit A** hereto.

# Section 4.02. <u>Disclosures of Relationships with Entities Offering to Enter into Investment</u> Transactions with the Authority.

The Investment Officer(s) and the Authority Officials shall disclose in writing (a) any "personal business relationship" with a business organization offering to engage in an investment transaction with the Authority and (b) any relationship within the second degree by affinity or consanguinity, as determined by Chapter 573, Texas Government Code, to any individual seeking to sell an investment to the Authority, as required by the Investment Act. The existence of a "personal business relationship" shall be determined in accordance with the Investment Act. Such disclosure statement shall be filed with the Board and the Texas Ethics Commission.

# Section 4.03. <u>Certifications from Sellers of Investments</u>.

The Investment Officer(s) or the Authority Officials shall present this Policy to any person or business organization offering to engage in an investment transaction with the Authority and obtain a certificate stating that such potential seller has reviewed the Policy as provided in the Investment Act. This certificate shall be in a form acceptable to the Authority and shall state that the potential seller has received and reviewed the Policy and has acknowledged that the potential seller has implemented reasonable procedures and controls in an effort to preclude investment transactions with the Authority that are not authorized by this Policy, except to the extent that this authorization is dependent on an analysis of

the makeup of the Authority's entire portfolio or requires an interpretation of subjective investment standards. Neither the Investment Officer nor the Authority Officials shall purchase or make any investment from a potential seller that has not delivered to the Authority this required certification. A form of certificate acceptable to the Authority is attached hereto as **Exhibit B**.

# Section 4.04. Solicitation of Bids for Certificates of Deposit.

Bids for certificates of deposit may be solicited orally, in writing, electronically or in any combination of those methods.

# Section 4.05. Settlement Basis.

The safekeeping entity for all Authority investments and for all Collateral pledged to secure Authority funds shall be one approved by the Investment Officer(s).

# Section 4.06. <u>Monitoring of the Market Value of Investments and Collateral.</u>

The Investment Officer(s), with the help of such Authority Officials as needed, shall determine the market value of each investment and of all Collateral pledged to secure deposits of Authority funds at least quarterly and at a time as close as practicable to the closing of the reporting period for investments. Such values shall be included on the investment report. The following methods shall be used:

- (a) Certificates of deposit shall be valued at their face value plus any accrued but unpaid interest.
- (b) Shares in money market mutual funds and investment pools shall be valued at par plus any accrued but unpaid interest.
- (c) Other investment securities with a remaining maturity of one year or less may be valued in any of the following ways:
  - (1) the lower of two bids obtained from securities broker/dealers for such security;
  - (2) the average of the bid and asked prices for such investment security as published in The Wall Street Journal or The New York Times;
  - (3) the bid price published by any nationally recognized security pricing service; or
  - (4) the market value quoted by the seller of the security or the owner of such Collateral.
- (d) Other investment securities with a remaining maturity greater than one year shall be valued at the lower of two bids obtained from securities broker/dealers for such security, unless two bids are not available, in which case the securities may be valued in any manner provided in 4.06(c) hereof.

# Section 4.07. <u>Monitoring the Rating Changes in Investments.</u>

Consistent with Section 2256.021 of the Investment Act, the Investment Officer shall monitor all investments that require a minimum rating under subchapter A of Chapter 2256, Texas Government Code, as amended, such that any such investment that does not have the minimum rating shall no longer

constitute an authorized investment. Such investments that do not have the required minimum rating shall be liquidated within 30 days of the investment's failure to maintain its required minimum rating.

# ARTICLE V PROVISIONS APPLICABLE TO ALL FUNDS

# Section 5.01. <u>Provisions Applicable to All Fund Groups.</u>

- A. All funds of the Authority shall be invested only in accordance with this Policy and shall comply with any additional requirements imposed by bond resolutions or trust indentures of the Authority and applicable state law or federal tax law, including the Investment Laws.
- B. The Board, by separate resolution, may provide that the Authority's Executive Director or Investment Officer may withdraw or transfer funds from and to accounts of the Authority only in compliance with this Policy.
- C. No fund groups shall be pooled for the purposes of investment, e.g. the funds in the Tax Increment Revenue Fund and in the Surplus Fund shall not be commingled or pooled for purposes of investment.

Section 5.02. <u>Policy of Securing Deposits of Authority Funds -- Applicable to All Deposited</u> Authority Funds.

- A. The Authority recognizes that FDIC (or its successor) insurance is available for Authority funds deposited at any one Texas Financial Institution (including branch banks) only up to a maximum of \$250,000¹ (including accrued interest) for each of the following: (i) demand deposits, (ii) time and savings deposits, and (iii) deposits made pursuant to an indenture or pursuant to law in order to pay bondholders or noteholders. It is the policy of the Authority that all deposited funds in each of the Authority's accounts shall be insured by the FDIC, or its successor, and to the extent the deposit surpasses the FDIC Deposit Insurance Coverage limit at any given time, shall be secured by Collateral pledged to the extent of the fair market value of the principal amount deposited plus accrued interest as required by the Collateral Act.
- If it is necessary for the Authority's depositories to pledge Collateral to secure the Authority's deposits, (1) the Collateral pledge agreement must be in writing, (2) the Collateral pledge agreement must be approved by the depository's board of directors or loan committee, (3) the depository's approval of the Collateral pledge agreement must be reflected in the minutes of the meeting of the depository's board or loan committee approving same, and (4) the Collateral pledge agreement must be kept in the official records of the depository. The depository must provide to the Investment Officer or Authority Officials with written proof of the depository's approval of the pledge agreement as required herein in a form acceptable to the Authority. A signed or certified copy of the minutes of the meeting of the depository's board or loan committee reflecting the approval of the Collateral pledge agreement or other written documentation of such approval acceptable to the Investment Officer will be accepted. It is the preference of the Board that all requirements of this section be met be prior to the deposit of any Authority funds in such financial institution when a pledge of Collateral is required; however, the Board recognizes that compliance with this preference might not be practicable due to time constraints for making a deposit. In such event, the Board directs the Investment Officer and Authority Officials to proceed diligently to have such agreement approved and documented to assure protection of the Authority's funds. If the decision is made to forego the protection of a Collateral pledge agreement with any depository, the Authority's Executive Director shall be responsible for maintaining the balance of deposit(s) in such depository plus any accrued but unpaid interest at or below FDIC insurance levels.

#6294028.1 A-5

\_

<sup>&</sup>lt;sup>1</sup> The \$250,000 limit is temporary and may change from time to time under applicable law.

- C. Collateral pledged by a depository shall be held in safekeeping at an independent third party institution, and the Authority's administrator or Investment Officer shall obtain safekeeping receipts from the Texas financial institution or the safe-keeping institution that reflect that Collateral as allowed by this Investment Policy and in the amount required was pledged to the Authority. Principal and accrued interest on deposits in a financial institution shall not exceed the FDIC's, or its successor's, insurance limits or the market value of the Collateral pledged as security for the Authority's deposits. It shall be acceptable for the Authority's administrator or Investment Officer to periodically receive interest on deposits to be deposited to the credit of the Authority if needed to keep the amount of the funds under the insurance or Collateral limits. It is the preference of the Board that there be no sharing, splitting or cotenancy of Collateral with other secured parties or entities; however, in the event that a depository cannot accommodate this preference due to the denominations of the securities to be pledged, the Board directs the Investment Officer and Authority Officials to obtain appropriate protections in the pledge agreement with the depository to assure that the Collateral is liquidated and the funds distributed appropriately to all parties with a security interest in such Collateral. The Authority's Executive Director or Investment Officer shall monitor the pledged Collateral to assure that it is pledged only to the Authority, review the fair market value of the Collateral to ensure that the Authority's funds are fully secured, and report periodically to the Investment Officer and the Board regarding the Collateral.
- D. The Authority's funds deposited in any Texas financial institution, to the extent that they are not insured, may be secured by the pledge of any of the following:

  - 4. A fixed-rate collateralized mortgage obligation that has an expected weighted average life of 10 years or less and does not constitute a "high-risk mortgage security" under the Collateral Act;
  - 5. A floating-rate collateralized mortgage obligation that does not constitute a "high-risk mortgage security" under the Collateral Act;
    - 6. A letter of credit issued by a federal home loan bank; or

### Section 1. PREAMBLE

The Midtown Redevelopment Authority (the "Authority") was created by Resolution No. 95-96, adopted on June 28, 1995, to aid, assist and act on behalf of the City of Houston, Texas (the "City") in the performance of the City's governmental and proprietary functions with respect to the common good and general welfare of Midtown and neighboring areas as described in Ordinance No. 94-1345. The Midtown Management District ("MMD") was created in 1999 by the Texas Legislature with the consent of the City, and operates under Chapter 375, Texas Local Government Code, and Chapter 3809, Texas Special Districts Local Laws Code. The Midtown Parks Conservancy ("MPC") is an entity that works in conjunction with the Authority and MMD under various agreements.

Employees of the Authority are subject to the policies set forth in this Employee Policy Manual (the "Manual"). At times, employees of the Authority may perform services for the benefit of MMD or MPC; Authority employees remain subject to the policies set forth in this Manual, even when engaging in work for the benefit of MMD or MPC. The Authority, MMD, and MPC are collectively referred to in this Manual as the "Midtown Entities."

The purpose of this Manual is to provide Authority employees with an overview of the policies and procedures that relate to employment. Authority employees are expected to know and be familiar with the contents of this Manual. This Manual may be revised or supplemented from time to time at the discretion of the Board of Directors of the Authority (the "Board") without prior notice. In addition, the policies in this Manual supplement any governing documents of the Authority, as applicable.

THIS MANUAL DOES NOT CONSTITUTE A CONTRACT REGARDING TERMS OF EMPLOYMENT AND DOES NOT CREATE ANY CONTRACTUAL RIGHTS REGARDING TERMS OF EMPLOYMENT, NOR DOES IT GUARANTEE EMPLOYMENT FOR ANY SPECIFIC DURATION. Instead, the policies and procedures set forth herein establish guidelines only. Nothing contained in the Manual should be construed as a promise or guarantee of continued employment or any benefit. The employment relationship between the Authority and its employees is at-will. This at-will relationship cannot be altered by any oral statements or any statements in the Manual.

All Authority employees are subject to the terms and conditions of the policies contained in the Manual. Employment or continued employment with the Authority constitutes the employee's agreement to abide by the policies contained in the Manual. An employee's refusal to review this Manual or sign this form acknowledging receipt of this Manual does not exempt the employee from knowing, understanding and complying with the policies and procedures contained in this Manual.

If any policy in the Manual conflicts with applicable law, the Authority will comply with the applicable law.

# Section 2. EMPLOYEE POLICIES AND PROCEDURES

# A. General Provisions.

- 1. Administrative, managerial, and supporting employees are to be hired, managed, and developed in a manner that meets the objectives of the Authority and in compliance with applicable law.
- 2. When performing work on behalf of the Authority, employees must conduct themselves in a manner consistent with sound business and ethical practices; the public interest must always be considered in conducting business on behalf of the Authority; and the appearance of impropriety must be avoided to ensure and maintain public confidence.
- 3. Compliance with the policies in this Manual is a condition of initial and continued employment. Disciplinary action, up to and including termination of employment, will be taken against any employee who violates such policies as described herein.
- 4. The Executive Director of the Authority (the "Executive Director") is responsible for administering and enforcing the Employee Policies in this Manual.
- 5. Should the Executive Director be unable to fulfill his or her duties under this Manual, the Board shall have the right to designate an individual within the Authority to perform the Executive Director's duties in his or her absence.

# B. Equal Employment Opportunity

- 1. The Authority is an equal opportunity employer. It is the commitment of the Authority to select and retain the best qualified individuals based upon job-related qualifications, regardless of race, sex, sexual orientation, gender identity, color, religion, national origin, citizenship, age, military and/or veteran status, disability, genetic information, or any other characteristic protected by applicable federal, state, or local law. This commitment includes recruitment, selection, transfers, promotions, scheduling, corrective action, compensation, benefits, separation or any other term or condition of employment.
- 2. The Authority will provide reasonable accommodations in accordance with applicable laws prohibiting discrimination in employment against qualified individuals with disabilities to qualified individuals with known physical or mental disabilities, unless undue hardship would result.
- 3. In accordance with applicable laws, absent undue hardship, the Authority will make reasonable accommodations for sincerely held religious beliefs.

- 4. The Authority prohibits intimidation, coercion or harassment of any kind. If any employee is asked to participate in, is a witness to, or has experienced an activity that the employee considers discriminatory or harassing, the employee should immediately bring the situation to the attention of his or her supervisor or the Executive Director—whichever the employee feels most comfortable.
- 5. It is the obligation of each employee to comply with the spirit and intent of this EEO Policy. Any violations of this EEO Policy will be cause for disciplinary action, up to and including termination of employment.

# C. Policy Prohibiting Harassment and Discrimination.

# 1. Policy

- (a) The Authority is committed to maintaining a work environment free of unlawful discrimination, harassment, and retaliation. The Authority prohibits all behavior which is motivated by or is offensive on the basis of the protected characteristics and statuses described the above EEO Policy. Employees engaging in any form of harassment, discrimination, or retaliation in violation of the Authority's policies will be subject to disciplinary action, up to and including termination of employment.
- (b) Harassment or discrimination prohibited by this policy includes, without limitation, harassing or discriminatory intimidations, insult, ridicule and comments where:
  - (1) The conduct has the purpose or effect of creating an intimidating, hostile, or offensive work environment; or
  - (2) The conduct has the purpose or effect of unreasonably interfering with an individual's work performance; or
  - (3) The conduct otherwise adversely affects an individual's employment opportunities.
- (c) The Authority will not tolerate sexual harassment by any person who is employed by or associated with the Authority. Sexual harassment includes, but is not necessarily limited to, unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature where:
  - (1) Submission to such conduct is made either explicitly or implicitly a term or condition of employment; or
  - (2) Submission to or rejection of the conduct is used as the basis for an employment decision affecting the employee

(e.g., demotion, promotion, performance evaluation or compensation); or

- (3) The conduct or speech has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile or offensive working environment (e.g., unwanted sexual jokes, vulgar language, sexual gestures, physical assaults, sexual advances or displaying sexually oriented materials like publications, pictures, cartoons or photographs).
- (d) The definition of sexual harassment may be easier to understand if an employee recognizes that the definition identifies two types of sexual harassment:
  - (1) Quid Pro Quo this typically describes a situation in which an employee is confronted with sexual demands, and the response to the demands will dictate whether, for example, this employee will get a promotion or keeps his or her job; and
  - (2) Hostile Work Environment this typically involves unwelcomed sexual conduct that permeates the work environment and interferes with an employee's ability to do his or her job, or unwelcomed sexual conduct that is sufficiently severe and pervasive that it creates an abusive or offensive work environment.

In addition, any unwelcomed sexual conduct by a vendor or supplier of the Authority, or by any other non-employee of the Authority who has workplace or work-related contact with Authority employees, is prohibited and must also be reported and addressed.

# 2. Complaint Procedure

- (a) Any employee who feels that he or she has been subjected to behavior that violates this policy should, if feasible, immediately tell the individual engaging in the behavior that it is offensive and ask that it stop. The employee also should immediately contact his or her supervisor to report the behavior. If the behavior involves the employee's supervisor or the employee is not comfortable making a report to the supervisor, the employee should report the behavior to the Executive Director. Employees should report the behavior to the person—supervisor or Executive Director—with whom the employee feels most comfortable.
- (b) All employees are responsible for maintaining a workplace free of discrimination, harassment, and retaliation in violation of this policy. Any person may initiate a complaint regarding incidents experienced

personally or observed in the workplace. If any employee is asked to participate in, is a witness to, or has experienced an activity that the employee considers discrimination, harassment, or retaliation, the employee should immediately bring the situation to the attention of his or her supervisor and/or the Executive Director. It is the responsibility of all employees to bring complaints to the attention of his or her supervisor and/or the Executive Director so that the Authority can help resolve them. An employee should never assume that the Authority is aware of inappropriate conduct that an employee has witnessed or experienced. Employees are encouraged to report any conduct that they feel may be inappropriate regardless of whether the employee is confident that such conduct violates this policy, or any other Authority policy or standards. Employees should understand that the Authority wants them to bring any concerns related to harassment, discrimination, or retaliation to its attention so that the Authority can review such matters and address them as appropriate, regardless of whether such conduct is an express violation of a specific policy.

- (c) Upon receipt of a report or complaint of harassment, discrimination, or retaliation, the Authority will promptly and discretely, to the extent possible, conduct an investigation. Employees must cooperate fully with any investigation conducted by the Authority under this policy and must provide truthful information. In determining whether the alleged conduct constitutes a violation of this policy, the totality of the circumstances, the nature of, and the context in which the alleged conduct or incident occurred will be considered.
- (d) If it is determined that a violation of this policy has occurred, prompt and appropriate action will be taken.

Possession and use include having the metabolites of a prohibited substance in the employee's system resulting in a positive test. The Authority also prohibits the presence of any person on the premises of the Authority while under the influence of any prohibited substance. If approved by the Executive Director, the moderate use of alcoholic beverages at Authority-sponsored or business/social events is permitted.

- 2. To the extent that it does not impair an employee's job performance or safety or the safety of others, employees may possess and use over the counter and prescription medication in the workplace provided that:
  - (a) For prescription medication: A licensed health care provider has prescribed the medication for the employee's use and the employee has a current and valid prescription.

  - (d) The employee can safely perform his or her essential job functions while taking the medication. If the employee's use of medication may impair or affect the employee's ability to safely perform his or her essential job functions, the employee should advise the Executive Director that he or she is taking the medication and its potential safety impact, prior to performing any work assignment while under the influence of the medication.
- 3. Consistent with our intent to maintain a work environment that is safe, drug-free, conducive to high work performance, and in compliance with our standards, the Authority may conduct drug and alcohol testing on applicants as a condition of hire and on employees as a condition of continued employment. The Authority may conduct tests when there is reasonable-suspicion of a violation of this policy and after an accident or incident, in appropriate circumstances and other testing in a manner that is consistent with the intent and enforcement of this policy. The Authority may, from time to time and without prior notice, also conduct random drug testing. These tests may include chemical analyses of urine, hair, blood, breath, or saliva specimens. It is the intent of the Authority to comply with any applicable federal, state, and local laws and regulations governing drug and alcohol use and testing in the workplace.

From time to time and without prior notice, authorized representatives of the Authority may conduct searches for prohibited items and substances of individuals entering the workplace or performing assigned duties for the Authority at any location. These searches may include, but are not limited to, vehicles, offices, desks, personal possessions, luggage, clothing, lockers, and

To ensure that accurate records are kept of hours worked (including overtime work), all non-exempt employees must keep a record of, and report to the Authority, all hours worked in a workweek.
- (b) Non-exempt employees must accurately record all of their actual working hours. This is not only a matter of strict policy, but it is a requirement of applicable law as well. No supervisor may ask or require non-exempt employees to work without properly recording their time, or to record their time improperly. Non-exempt employees may not work any hours without reporting those hours to the Authority. This includes, for example, time

worked before or after the regular scheduled work day and during meal periods. No "off-the-clock" work is permitted. Off-the-clock work means work a non-exempt employee performs but fails to report on his or her time record. If an employee is asked to work without reporting his or her time by any supervisor or other individual, that employee must report the request immediately to the Executive Director. Non-exempt employees will be paid for all hours worked.

- Overtime will be paid to non-exempt employees in accordance with applicable law. Non-exempt employees may not work overtime hours may without prior supervisor approval. While all the time worked by the non-exempt employee will be paid, even if not authorized, working without authorization is a violation of policy and may lead to disciplinary action.
- (d) (e) An exempt employee's weekly salary is pay for all hours worked in a week and is not subject to deductions for variation in the quantity or quality of the work the employee performs. There are only a few instances where deductions are permitted, and these include the following: any full week an employee does not work; full day absences for personal reasons or illness in accordance with the Authority's PTO policy; and, full day disciplinary suspensions for major safety violations and significant infractions of written workplace conduct rules; and, time spent on unpaid medical leave.
- (e) (d)—Any employee who believes that he or she is being asked to work without properly recording work hours, or to record less than all hours worked, or has had an improper deduction in the employee's paycheck, should notify his or her supervisor or the Executive Director. An employee's report of non-compliance with this policy will be promptly investigated and he or she will be promptly reimbursed for any errors in payment for all hours worked, any improper deductions from wages, or any other errors relating to pay. An employee who makes any such report in good faith will suffer no retaliation for bringing such information to the attention of management. An employee who believes that he or she was retaliated against for making a report regarding wage or pay discrepancies should report this to the Executive Director as well.

# G. Employment Termination.

Employees are employed by the Authority on an at-will basis. Nothing in this Manual restricts or in any way modifies the Authority's right or the employee's right to terminate the employee's employment at any time.

- 2. Abandonment Termination. After an unreported, unapproved absence of three or more consecutive workdays, an employee may be terminated or considered to have resigned. Reinstatement may occur, in the sole discretion of the Authority, if the employee can explain the extenuating circumstances that prevented them from notifying the Authority regarding the absence at issue. Pay will cease effective the first day of absence.
- 3. Involuntary Termination.

However, from time to time and at the discretion of the Executive Director, the workweek may be modified or an alternative workweek may be implemented upon reasonable notice to all employees and the Board.

### 3. Tardiness and Other Absence.

- (a) Attendance and punctuality are important to the Authority's business. Regular attendance is an essential function of employment. The Authority also expects employees to report to work on a reliable and punctual basis. Unexcused absences or tardiness occurrences, in particular, may be grounds for disciplinary action, up to and including termination of employment
- (b) It is the employee's responsibility to be at work and on time and to call his or her designated supervisor when it is not possible to be at work on time. Repeated unexcused tardiness is grounds for termination of employment.
- (c) In the case of illness, the employee is asked to contact the Administrative Manager or the employee's supervisor as soon as possible, but no later than the time the employee is scheduled to begin work.

The pay period cut-off dates are the 5<sup>th</sup> and 20<sup>th</sup> of each month. Any special situations regarding payment of salaries are handled at the discretion of the Executive Director. The employee is responsible for the completion and accuracy of all records related to timesheets, withholding requests, and other documentation authorizing payroll deductions. Employees must review their paychecks promptly and report any errors to the Executive Director. All errors will be promptly corrected.
- 2. Pay increases are made in the sole discretion of the Authority and generally are based on each employee's performance and other economic factors impacting the Authority. Employees should not construe this policy as requiring any increase salaries at any time.

# J. Vacation Plan.

1. Vacation practices are intended to grant eligible employees time off with pay according to their years of service. These practices apply to all regular, full-time employees. Part-time employees are not eligible for paid vacation.

- 2. Prior supervisory approval through normal reporting channels is required for employees to take vacation.
- 3. Vacation time allotments are based on length of service.
- 4. All vacations will be determined on a calendar-year basis. For instance, an increase in an employee's allotment of vacation days does not take effect until January 1 of the year after the year in which the employee completes the service requirement set out below.
  - (a) If an otherwise eligible employee is absent from work at the beginning of a calendar year for any reason (including paid sick leave, unpaid leave of absence, etc.), the employee is not eligible for paid vacation in that calendar year unless and until the employee returns to active work in that calendar year.
  - (b) If an employee has not performed active work in a calendar year, the employee is not eligible for paid vacation in that calendar year.
  - (c) If an employee is on authorized absence (with or without pay) throughout an entire calendar year, the employee is not eligible for paid vacation in that calendar year; therefore, the employee will not receive vacation in that calendar year.
- 5. New Employees are eligible for: (Employees hired during the year in which vacation would be taken or the directly preceding year ("New Employee")):

  - (b) Three (3) weeks of vacation after five (5) years of service, to be taken between January 1 after the end of the second (2nd) year period and December 31 of the following year.
- 6. A regular, active employee (not qualifying as a New Employee) is eligible for a paid vacation of two (2) weeks during each calendar year. As years of continuous service increase, weeks of vacation eligibility also increase as shown below:

# LENGTH OF SERVICE

# **WEEKS OF VACATION\***

After 1st year 2 weeks After 5th year 3 weeks

After 10th year 6 weeks or such other amount that may be determined by the Board

<sup>\*</sup>After the first year of service, vacation periods coincide with calendar years.

- 7. Vacation time must be taken the year earned, with the exception of up to five (5) days of vacation. At the end of one calendar year, an employee may carry over up to five (5) earned, unused vacation days into the next calendar year. Such days must be used in the next calendar year or they will be lost. Employees may not carry over more than five (5) earned, unused vacation days from one calendar year to the next calendar year. Notwithstanding the foregoing, employees who have ten (10) or more years of continuous employment service with the Authority will be permitted to carry over up to 50% of their earned, unused vacation days from one calendar year to the next calendar year, but in no event can such employee carry over more than three (3) weeks of earned, unused vacation days.
- 8. Regular active employees, employees actively at work on December 31 or those on approved vacation on December 31, may take vacation beginning the first work day of a new calendar year.
- 9. Vacations should be scheduled and requested within a reasonable time, as determined by the Executive Director, in advance of such dates requested so plans may be made for personnel replacements, if necessary. If practical, vacation schedules will be approved according to employees' preferences. However, work assignments and responsibilities will be the controlling factors in scheduling vacations of individual employees. Vacation date preferences may be granted based on length of service among other factors.
- 10. If an employee resigns in good standing, as determined by the Executive Director, the employee will be paid for accrued vacation time not taken in that current calendar year. If an employee's employment is terminated by the Authority for any reason, that employee will not be paid for accrued vacation time not yet taken.
- 11. Employees who do not actively perform their jobs during a calendar year (e.g., those who are on paid or unpaid authorized or unauthorized absences or as determined by the Executive Director) will not receive pay in lieu of vacation.
- 12. If a Paid Holiday (see Section K below) occurs during the period of an employee's vacation, the employee will be granted either the last scheduled work day before the vacation or the first scheduled work day after the completion of the vacation as a substitute vacation day. If two or more Paid Holidays occur during an employee's vacation, the employee will be granted an equivalent number of substitute vacation days. The designation of days to be recognized as substitute vacation days shall be at the employer's option, as determined at the discretion of the Executive Director.
- 13. Vacation time is not considered hours worked for the purpose of calculating overtime

The following personal time off guidelines have been established for all employees who qualify.
- 2. Full-Time Employees will be eligible for **seven** (7) days of personal time off effective January 1 of each year following the employee's first year of service. Part-time employees are not eligible for personal time off.
- 3. In the event personal time off is to be taken for a planned absence, such as a doctor's appointment or other personal appointment, the employee must seek the supervisor's advance approval in order to apply PTO to the absence. Employees are encouraged to schedule appointments in a manner that does not interfere with work schedules, where possible. In the event the need to use PTO is for an unforeseen absence, employees must notify their supervisor as soon as reasonably practicable to their normal report to work time in order to designate the day as personal time off.
- 4. The Authority reserves the right to require written verification of illness from a licensed practicing medical physician or healthcare provider for any absence due to illness, injury, or medical appointment that lasts three (3) consecutive days or

more, within the scope of this Section prior to approving payment of personal time off benefits to an employee. Absent extenuating circumstances, employees will not be permitted to apply personal time off to three (3) or more consecutive days of planned absences. Moreover, the Authority retains the right to deny personal time off requests that are longer than three (3) consecutive days in length, regardless of the reason for the absence.

- 5. Payment of personal time off benefits does not automatically constitute an acceptable reason to be absent from work. Employees with absenteeism problems, as determined by the Authority, regardless of whether they receive personal time off benefits or not, may find themselves subject to disciplinary action up to and including termination.
- 6. Personal time off may not be carried over from the prior year or borrowed from the next calendar year, and payment in lieu of personal time off is prohibited. Accrued, unused personal time off is not paid to the employee upon the employee's separation from employment for any reason.
- 7. Personal time off is not vacation time, and should not be used as such. Personal time off may be used for reasons such as an employee's own injury or illness, doctor's appointments, or other unforeseen need to be absent for personal reasons and also in the event of the short-term need to care for a spouse, child, or parent.
- 8. In the event an employee exhausts his or her seven (7) days of personal time off in a calendar year, the employee must charge any additional absences to vacation or unpaid leave.

#### P. Technology in the Workplace.

- 1. The Authority's e-mail, computing, network, internet, telephone, and voicemail systems (collectively "Electronic Communication Systems") are the property of the Authority. As such, these resources are to be used only to conduct Authority business; however, the Electronic Communication Systems can be used during non-working time for statutorily protected employee activity, if applicable. Personal use must be kept at a minimum and must not violate any other Authority policies.
- 2. The Authority reserves and exercises the right to access, intercept, monitor, record, copy, review, disclose, download, and delete any communication or information that employees create or maintain using the Electronic Communication Systems. As a result, employees must have no expectation of privacy in their use of the Electronic Communication Systems.

As a result the Authority has adopted the following policy and guidelines on its employee's use of social media.
  - (a) Definition of Social Media. As used in this policy, "social media" is any means of communicating with others over the Internet for social or business development purposes. Social media applications include, without limitation, Facebook, Twitter, LinkedIn, YouTube, Instagram, TikTok, Snapchat, and Flickr, but can also occur on user forums that are offered by television networks, newspapers, magazines, and other websites that permit readers to post comments.
  - (b) Guidelines for Postings. Some social networking sites may provide an appropriate forum to keep current on matters of interest, to make professional connections, and to locate links to other pertinent sources. Users must be careful, however, that their online postings do not violate Authority policies or the law. Users are personally responsible for all content they post on social networking sites. Users should assume that

anything posted to an internet site is impossible to modify or remove. In addition, all users should assume that their internet postings can and will be read by anyone. Finally, users should understand that material posted on an internet site may be obtained and used by litigants in both personal and professional litigation. When using social media, consider the following guidelines:

- (2) Do not post any content that could be characterized as defamation, plagiarism, unlawful harassment or a copyright violation. Identify all copyrighted or borrowed material with citations and links and obtain permissions when necessary.
- (3) Use the same judgment in writing your postings that you would in writing any formal letter. Post only content that you would be comfortable having the Authority, your colleagues, and the general public read, hear, or see.
- (c) This policy does not prohibit (i) employees' use of social media to discuss or address, for concerted activity purposes, matters concerning the employment terms and conditions, or (ii) other off-duty conduct, not involving the use of Authority's systems or devices, with respect to which employees are protected by law from adverse employment actions.

1. All employee files are the property of the Authority. Active employees may view their respective files in the presence of the Executive Director. Files are available for review only. No items may be added to or removed from the personnel file by an employee. An employee may copy a document in his or her personnel file only if the employee has previously received the document. Upon termination of employment, all files will remain the property of the Authority, and terminated employees will no longer have access to their files.

#### S. Code of Ethics and Conflict of Interest.

- 1. The Authority is committed to achieving the highest standards of ethical conduct and compliance with applicable laws in their operations and activities. This policy is intended to increase awareness of potential conflicts of interest and establish a procedure for reporting them.
- 2. It is the policy of the Authority to prohibit employees from engaging in any business arrangements with clients, customers, vendors, suppliers, contractors, governmental authorities, and other external parties when it presents an actual or perceived conflict of interest with the Authority, unless they have prior written approval from the Executive Director. The Authority prohibits all employees from using their position with the Authority or the Authority's relationship with their clients, customers, vendors, suppliers, contractors, governmental authorities, and other external parties for private gain or to obtain benefits for themselves or members of their family.
- 3. For purposes of this policy, a potential conflict of interest occurs when an employee's outside interests (for example, financial interests) interfere with the interests of the Authority's or the employee's work-related duties. For example, a conflict of interest can occur when an employee is in a position to influence a decision that may result in a personal gain for the employee or the employee's family member as a result of the business dealings of the Authority. If you have a question about whether a situation is a potential conflict of interest, please contact the Executive Director.
- 4. If an employee becomes aware of any potential conflict of interest or ethical concern regarding his or her employment or that of another employee at the Authority, the employee must promptly speak to, write or otherwise contact his or her direct supervisor or, if the conduct involves the direct supervisor, the Executive Director as soon as possible. The Authority prohibits any form of reprisal, intimidation or retaliation for good faith reporting of a potential conflict of interest or violation of this policy or cooperating in related investigations.

#### T. Outside Activities.

Employees are expressly prohibited from engaging in any activity that competes with the Authority or the Midtown Entities, or compromises their interests. This prohibition includes performing any services on non-working time that are normally performed by the Authority and/or the unauthorized use or application of any of the Authority's confidential information or trade secrets.

#### Section 1. PREAMBLE

The Midtown Redevelopment Authority (the "Authority") was created by Resolution No. 95-96, adopted on June 28, 1995, to aid, assist and act on behalf of the City of Houston, Texas (the "City") in the performance of the City's governmental and proprietary functions with respect to the common good and general welfare of Midtown and neighboring areas as described in Ordinance No. 94-1345. Many of the contractual obligations and administrative practices of the Authority are contained in a certain amended and restated Agreement dated July 18, 2000, and approved as Ordinance No. 2000-494, by and between the City, the Authority, and the Tax Increment Reinvestment Zone Number Two, City of Houston, Texas (the "Midtown Zone") (the "Tri-Party Agreement").

The purpose of this Administrative Procedure Manual (the "Manual") is to supplement the Tri-Party Agreement and all practices and obligations specified therein are incorporated herein. This Manual may be supplemented from time to time at the discretion of the Board of Directors of the Authority (the "Board") and it and the Tri-Party Agreement shall serve as the primary sources for the Authority's administrative practices and procedures. This Manual is designed to provide an overview of the procedures that relate to administrative processes on behalf of the Authority. Board members and employees are expected to know and be familiar with the contents of this Manual, as applicable.

As further detailed in the Authority's Employee Policy Manual, the Authority is committed to achieving the highest standards of ethical conduct and compliance with applicable laws in its operations and activities. It is the intent of the Authority that the Authority's personnel will conduct themselves in a manner consistent with sound business and ethical practices; the public interest always will be considered in conducting corporate business; and the appearance of impropriety will be avoided to ensure and maintain public confidence in the Authority.

THIS MANUAL DOES NOT CONSTITUTE A CONTRACT AND DOES NOT CREATE ANY CONTRACTUAL RIGHTS. Instead, the policies and procedures set forth herein establish guidelines only. They do not create, and are not intended to create, a contract between the Authority and any employee or other party. The employment relationship between the Authority and its employees is at-will. Where any policies in the Manual conflict with applicable law, applicable law shall control.

#### Section 5. RECORD RETENTION POLICY

#### A. Purpose

This Record Retention Policy (the "Policy") is intended to comply with applicable law and to encourage all personnel to generate and retain only those records that are required to conduct effective and efficient operation of the Authority, to help the Authority comply with its obligations under applicable law, and to meet the Authority's obligations to the government and to vendors, employees and others. All Authority personnel must comply with this Policy. Where this Policy conflicts with applicable law, such law will control (with the exception noted below regarding maintaining records for the longest period of time in any retention schedule).

#### B. Definitions

As used in this Policy, the term "records" broadly refers to all information generated, received, distributed or maintained by the Authority and its personnel in the course of transacting business, regardless of the medium used to develop, maintain, transmit or store the records. The medium used includes paper and non-tangible electronic format, such as electronic mail (e-mail), or electronic storage. The same retention standards that apply to tangible records also apply to electronic records. Examples of records are: correspondence, memoranda, contracts, designs and drawings, studies, stenographic or handwritten notes, drafts, publications, photographs, invoices, ledgers, journals, notebooks, diaries, accounts, pamphlets, voice records, e-mails, calendars, appointment records, reports, surveys, telephone call slips, statistical compilations, work papers, computer tapes, and printouts.

#### C. Requirements

The Texas Government Code; Section 441.158; provides that the Texas State Library and Archives Commission ("TSLAC") shall issue records retention schedules for each type of local government, including a schedule for records common to all types of local government. As a local government corporation subject to the requirements of Chapter 441, Texas Government Code, the Authority complies with such record retention schedule issued by TSLAC (the "Local Government Retention Schedule") and with all other applicable requirements of Chapter 441, Texas Government Code.

Authority records must be maintained according to the guidelines established in this Policy, including the Local Government Retention Schedule and the below Employment Record Retention Schedule. The Authority encourages record retention in an electronic format whenever possible and legally permissible. The Authority prohibits the inappropriate destruction of any records. Likewise, records should not be retained beyond the period indicated in the Local Government Retention Schedule or below Employment Record Retention Schedule, unless a valid business reason (or a litigation hold or other special situation) calls for its continued retention. Documents that have met or exceeded the retention period should be destroyed by shredding or other means that will render them unreadable. All questions about the retention or destruction of specific records or departmental or divisional

responsibility for maintaining certain types of records should be referred to the employee's supervisor or the Executive Director.

Retention periods in this Policy apply to records in any medium. If records are stored electronically, they must remain available and accessible until the retention period assigned by this schedule, along with any hardware or software required to access or read them. Electronic records may include electronic mail (e-mail), websites, electronic publications, or any other machine-readable format. Paper or microfilm copies may be retained in lieu of electronic records. Original paper records may be disposed of prior to the expiration of their minimum retention periods if they have been microfilmed or electronically stored pursuant to the provisions of the Chapter 204, Texas Local Government Code or Chapter 205, Texas Local Government Code, Chapter 204 or Chapter 205, as applicable, and rules of the TSLAC adopted under those chapters.

#### D. Litigation Hold

- 1. The destruction of all records shall be suspended immediately upon the receipt of legal process or notice of pending or foreseeable investigations or litigation, whether internal, civil, or governmental. Any employee who receives a litigation hold must immediately and unconditionally comply with it.
- 2. Employees must understand and adhere to the following general exception to any stated destruction schedule: If an employee believes, or the Authority informs an employee, that Authority records are relevant to current litigation, potential litigation (that is, a dispute that could result in litigation), government investigation, audit or other event, the employee must preserve and not delete, dispose, destroy or change those records, including e-mails, until the Authority determines those records are no longer required to be preserved. This exception, usually referred to as a "litigation hold" or "legal hold," replaces any previously or subsequently established destruction schedule for those records.
- 3. Any employee who becomes aware of an incident that may reasonably be expected to give rise to litigation or a governmental investigation, or any employee who actually receives notice of an investigation, agency charge, legal complaint, claim, demand letter or similar notice must immediately inform the Executive Director.

#### E. Storage

All records must be stored in a safe, secure and accessible manner. Any records that are essential to the Authority's business operations during an emergency must be duplicated and/or backed up and maintained off site (either in hard copy or electronic format).

#### F. Record Retention Schedule

See the current Local Government Retention Schedule. Employees may obtain copies from the Authority's Administrative Manager.

#### G. Employment Record Retention Schedule

In addition to the Local Government Retention Schedule, the Authority maintains employment records according the to the following schedule. Please note that if any records listed in this schedule are also covered in the Local Government Retention Schedule, then the Authority must retain the record for the length of time of the schedule with *the longest retention period*.
